

Vol. 2 | Issue 1 | FEBRUARY 2025

## TIG-SNU-Aajkaal Trio rocks at the Kolkata Book Fair

Techno India Group has been associated with the International Kolkata Book Fair for a very long time, and the TIG stall (now the Techno India Group-Sister Nivedita University combined stall) has remained a popular zone for people to gather, to watch an array of enriching programs and live performances by the students, as well as book releases of and literary discussions

by eminent personalities. Sister Nivedita University has been recognised for its successful Digital Partnership with the 48th International Kolkata Book Fair. The students under the able guidance of the professors, worked tirelessly throughout the Book Fair, and Prof. Dr. Minal Pareek, Dean of the School of Media, Fine Arts & Design, accepted the accolade on behalf of the university from the Publishers and Booksellers Guild, organisers of the IKBF.

## GCEO Dr. Sanku Bose's book releases at IKBF

**'Passion to Profession: Comprehensive Career Guide for Students'** - a book by educationist, IIT Delhi alumnus and GCEO of Techno India Group Dr. Sanku Bose was launched at the Techno India Group-Sister Nivedita University stall at the 48th International Kolkata Book Fair on 3rd February. Prof. Dhrubajyoti Chattopadhyay (VC, SNU), Rob Roy, Prof. Santanu Ray, Biplab Ganguly and others, discussed about the book with the author.

The book opens with discussions on AI, and delves into traditional career paths like Engineering, Medicine, History, and Sociology. A standout section Dare to be Different explores career options that often get overlooked especially by parents, such as Horticulture, Fisheries, and Nutrition. Apart from Dr. Bose's perspectives, the book features insights from experts at IIT Delhi and IIT Jodhpur. The foreword has been penned by Satyam Roychowdhury, Founder & MD of Techno India Group and Chancellor of SNU and TIUT.

A total of 40 titles from the house of Aajkaal Publishers Pvt. Ltd. were released in an hour-long program at the 48th International Kolkata Book Fair, amidst a constellation of renowned authors and dignitaries from other fields. A pictorial tribute by Aajkaal to the Hon'ble CM of West Bengal titled 'Mamata: Frames of Change' has been released at this event. A special literary session by daakbangla.com was loved by all. Satyam Roychowdhury, the Founder and Managing Director of Techno India Group enthralled the audience with his witty and wise words at 'Baniyye Bashote Bangali' - the candid entrepreneurial session at the Kolkata Literature Festival.

## United Kolkata Sports Club the Champions!

United Kolkata Sports Club (UKSC) won the Kanyashree Premier B Division in the Kanyashree Cup. Devneta Roy scored a hat-trick in the final match against Police Athletic Club (PAC), making it a neat 3-0 win. She was awarded the 'Golden Boot'. Last November, UKSC secured a promotion to the Premier Division by winning the Kolkata League Championship, defeating Shribhumi Football Club 2-1 with goals from Sreemanta Kisku and Deepak Chettri.

This is for the first time that a club has achieved a championship title in their very first year - it is an unparalleled feat in Kolkata football history. UKSC was officially launched on 15th April 2024, and began training under Coach Deepak Mondal in May. The club's founder and secretary, the very young Debdut Roychowdhury had dreamt of becoming champions from day one. "Although it might seem surprising, this was always our goal. We aimed to bring a change to Maidan football and secure a promotion to the Premier Division by becoming champions," he said.

## Satyam Roychowdhury becomes the First Indian to receive esteemed European Honour

Satyam Roychowdhury, the Founder and Managing Director of Techno India Group is the first Indian to have been conferred with the coveted title of **Honorary Academician by the historic Albertina Academy of Fine Arts of Turin, Italy**, in recognition of his exceptional contributions as a Maecenas (Patron of the Arts) on 3rd December 2024 at the ITC Sonar in Kolkata. The grand ceremony was graced by luminaries including H.E. Riccardo Dalla Costa, Hon'ble Consul General of Italy in Calcutta, and visiting dignitaries from the Albertina Academy.

## Sister Nivedita University celebrates 7th Foundation Day

SNU celebrated its 7th Foundation Day on 22nd February, 2025 amidst a constellation of dignitaries at the Biswa

Bangla Convention Centre. Shri Sovandeb Chattopadhyay, Minister of Agriculture & Parliamentary Affairs, Govt. Of WB, Shri Bratya Basu, Minister for Education, Govt. of West WB, Swami Vedarthananda, Acharya, Probationers' Training Centre, Belur Math, Satyam Roychowdhury, Chancellor of SNU, Prof. Dhrubajyoti Chattopadhyay, Vice Chancellor of SNU, Prof. Suman Chatterjee, Registrar of SNU, Dr. Sanku Bose, GCEO, TIG, Debdut Roychowdhury, Director of TIG and Founder of Hatchlab Innovations inaugurated the celebrations, which was followed by the launch of digital certificates on the NAD-DigiLocker portal. There was a group song mentored by renowned singer Santanu Roychowdhury, followed by a musical tribute to the two legends Kanika Bandopadhyay and Suchitra Mitra on their centennial. Degrees were awarded to the PhD scholars, and certificates and medals were presented to the UG, PG and Diploma holders.

## SISTER NIVEDITA UNIVERSITY

## Sister Nivedita University hosted the AIU UNIFEST 2025 in AIU's Centennial

One of the most awaited youth festivals in Eastern India happened at Sister Nivedita University from 8th to 12th January, 2025 - the **38th AIU Inter-University East Zone Youth Festival 2024-25**, the UNIFEST. The Youth Utsav commenced with a dazzling inaugural ceremony, showcasing a vibrant celebration of culture, talent, and unity. Over five days, 18 universities and more than thousand young minds competed in a variety of events, creating a cultural melting pot and a gathering of exceptional talent. The first day commenced with the ceremonial flag hoisting and a vibrant parade around Biswa Bangla Gate in New Town from, then the teams assembled at SNU

where a beautiful rendition of the SNU Anthem 'Sister Tumi Nivedita' was sung.

The inauguration ceremony had the gracious presence of a constellation of dignitaries - AIU representatives Prof. Bala Lakendra and Prof. Bhavna Grover, the Chancellor of SNU Satyam Roychowdhury, the Vice-Chancellor of SNU Prof. Dr. Dhruvajyoti Chattopadhyay, the Registrar Suman Chatterjee, the Convenor Dr. Minal Pareek, and several others. The inauguration ceremony was followed by a cultural extravaganza where famous Sarod player Joydeep Mukherjee played the Mohan Beena, followed by a Kathak performance by Pansy Saha, and a fashion show 'Swatantra' - not just a showcase of garments, but a journey into the soul of Bengal, a tribute to the rich traditions and artistry of Bengal, reimagined for the modern era.

AIU Youth Affairs Division organizes youth programmes, which are dedicated to Human Development, Personality Development, Active Citizenship, Building Youth Leadership, National Character, Human and Cultural Values. The activities also provide the youth an opportunity for a healthy interaction thereby instilling in them an awareness of our historical and cultural heritage. The National Youth Festival is more than just a series of performances; it is a manifestation of India's unity in diversity. It encourages young minds to dream big and strive for excellence while remaining grounded in their cultural heritage. The festival embodies the spirit of 'Viksit Bharat' envisioning a developed India driven by its youth. In this context, it is crucial for all stakeholders - educational institutions, government bodies, and communities to continue supporting such initiatives that empower our youth and foster a sense of national pride.

## Chancellor receives Visionary Educationist &amp; Exemplary Leader award

Satyam Roychowdhury, the Chancellor of SNU has been honoured with the title Visionary Educationist & Exemplary Leader by the Asia Education Conclave 2024 in Bangkok, Thailand. This recognition highlights his remarkable contributions to education and social development. He also delivered an inspiring keynote address on Edupreneurship as a Tool for Economic Development. Adding to the celebration, Techno India Group has been awarded Excellence in Education and Social Impact for our relentless dedication to shaping the future through education, aligning with our ethos Harnessing Technology, Enriching Lives.

Leader by the Asia Education Conclave 2024 in Bangkok, Thailand. This recognition highlights his remarkable

## Bowling Green State University visits SNU

A delegation from Bowling Green State University visited SNU; this marked an important milestone in strengthening international academic ties. The delegation engaged in enriching discussions with faculty and students, fostering a deeper understanding of shared educational goals and exploring future collaboration opportunities.

## Dance Champions

EuphoriX and Rudraagni, after a stunning performance at AIU UNIFEST, claimed victory at Xaviesta 2025.

## Aperture Alchemist - SNU Sports Photography Master-Class

Aperture Alchemist Photography Club, a student's photography club under the Centre for Entrepreneurship Development, organized a Sports Photography Master-Class with renowned Fujifilm Brand Ambassador Lopamudra Talukdar, who covered global events like FIFA 2018, FIFA 2022, and the upcoming Paris Olympics 2024.

## 100 years of Raj Kapoor

The Film Federation of India in collaboration with SNU celebrated 100 Years of Raj Kapoor at the Fairfield by Marriott. Day 1 began with Felicitation of prominent members of FFI & a Fashion Show dedicated to his timeless works, and Day 2 had Mecon: Media Conclave.

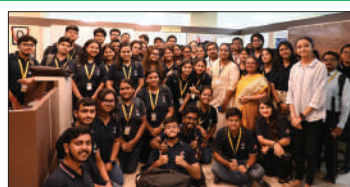

## Alaapcharita ebong Rabindrasangeet

Sister Nivedita University had the honour of hosting 'Alaapcharita ebong Rabindrasangeet' with Padmashri Dr. Rezwana Chowdhury Banya. The program featured an engaging conversation of the Rabindra Sangeet maestro with Satyam Roychowdhury, Chancellor of SNU, followed by an exclusive musical class with students from the Performing Arts Department.

## India@2047 Vision for Future

The CSIR-Central Leather Research Institute (CLRI), in collaboration with Sister Nivedita University, celebrated the 83rd CSIR Foundation Day with a seminar on **India @2047: Vision for the Future**. Focused on sustainable waste management, the event featured keynote addresses by eminent scientists like Dr. Sandipan Chatterjee and exhibitions showcasing eco-friendly leather innovations. Students actively participated through poster presentations, proposing creative solutions to environmental challenges. The seminar highlighted advancements in sustainable development, fostering collaboration between researchers and students. It emphasized science-driven solutions for a greener future and showcased the critical role of academia-industry partnerships in addressing global environmental issues.

## Renaissance 2.0

Jointly organised by Dept. of Sociology and Centre for Corporate and Career Advancement.

## 76th Republic Day celebration at SNU

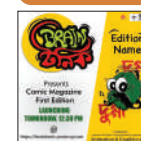

## Future of Research Collaborations amongst Asian Nations

Sister Nivedita University, in collaboration with Maulana Abul Kalam Azad Institute of Asian Studies, organized a seminar on "Future of Research Collaborations amongst Asian Nations". The event was graced by Mr. David Yong Chai Kim, Korean Representative of the Indian Chamber of Commerce, Dr. Tapan Misra, former Director of ISRO, and Prof. Dhruvajyoti Chattopadhyay, Vice Chancellor, SNU, among others. Eminent speakers discussed academic and industry research collaborations, including Swami Vedatitanandaji Maharaj, Justice Sombuddha Chakraborty, Prof. Suranjan Das, Prof. Debasish Chakraborty, and other distinguished experts from academia and industry.

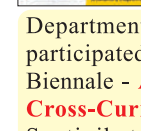

## MOU with Credo Centre of Excellence

A path ahead to building up fashion incubation centre at SNU and digitally advance fashion education to students along with overseas collaborations.

The Department of Journalism & Mass Communication, along with the Animation and Graphics wing, proudly announces the launch of **Brain Tonic presents 'Dugga Dugga'**, its first comic magazine.

Department of Fine Arts & Design participated in the inaugural Bengal Biennale - **Anka Banka: Traversing Cross-Currents** across Kolkata and Santiniketan. SNU students have reimagined five iconic Bankura horses with vibrant, contemporary designs, blending tradition with modernity. Their artworks were showcased at the prestigious festival, celebrating Bengal's artistic heritage and innovation.

## MECON 2025

Satyam Roychowdhury, the Chancellor of SNU has been recognised by the Film Federation of India for his exceptional contributions to the entertainment industry and his unwavering support to the Federation. In collaboration with SNU, a distinguished conclave on Media and Entertainment, titled MECON was

organized, bringing together esteemed experts from both the industry and academia. A prominent panel discussion on 'OTT & Digital Media: New Horizon' was chaired by Prof. Arindam Basu, with key contributions from Prof. Dr. Sanku Bose, Prof. Dr. Minal Pareek, Dr. Sandeep Marwah.

## SISTER NIVEDITA UNIVERSITY

**Mental Health Awareness Day**

The Department of Psychology hosted a successful Mental Health Awareness Day, featuring a thought-provoking seminar by renowned neuropsychiatrist Dr. Jay Ranjan Ram. Students expressed their creativity and insights through inspiring model and poster presentations, along with heartfelt songs, poetry, and a powerful dance drama performance. This impactful event fostered essential conversations about mental health, empowering us all to support and understand one another better.

**BRICS Skills Competition**

Students from the Department of Computer Science and Engineering, Sister Nivedita University, excelled at the prestigious BRICS Skills Competition in China. The grand finale began with a captivating display of Chinese cultural heritage, followed by intense skill demonstrations by participants from across the globe. The Champions are Soumedhik Bharti (2nd), Jishnu Baruah (3rd), Eshita Kundu (2nd in Online Category). The mentor Dr. Indranil Sarkar was honoured with the Excellent Guidance Expert award for his outstanding mentorship. This incredible achievement reflects the dedication and talent of SNU's students and faculty. Sister Nivedita University takes immense pride in this global recognition, celebrating the brilliance of its champions.

**National Entrepreneurship Day**

Sister Nivedita University celebrated National Entrepreneurship Day with an insightful Workshop on Entrepreneurship Development. The event aimed to inspire aspiring entrepreneurs and foster innovation through expert guidance and practical insights. The distinguished speaker Vibhor Tandon, Founder of Director Mantras and Treasurer of Calcutta Management Association, shared his extensive entrepreneurial expertise. He covered critical topics such as identifying business opportunities, understanding market dynamics, and building sustainable business models.

**Shreyaa Basak wins 5th Bengal State Taekwondo Championship**

Shreyaa Basak, student of BCA 3rd Year won the 5th Bengal State Taekwondo Championship. She won Gold Medal in Individual Pattern and Silver Medal in Individual Sparring.

**SNU hosts Dr. Clemens Arzt**

SNU hosted Dr. Clemens Arzt, Professor of Public Law and Representative to India from the Berlin School of Economics and Law, Berlin, Germany for paving the way for future academic partnerships between SNU and Berlin School of Economics and Law, Germany.

**SNU hosts Binodini cast and crew**

SNU hosted the cast and crew of the movie Binodini - the incredibly talented Rukmini Maitra, filmmaker Ram Kamal Mukherjee and renowned singer Shuchismita Chakraborty.

**Japanese delegation at SNU**

A Japanese delegation from Okayama University, Japan visited SNU for a cultural exchange program. The event was graced by Mr. Yamasaki Matsutaro, Deputy Consul General of Japan in Kolkata. It featured engaging discussions and an insightful workshop on Japanese language and culture, fostering deeper cross-cultural understanding and academic collaboration.

**Prof. Dr. Minal Pareek's 'Alfa Generation's Book for Comprehensive Digital Media'**

Prof. Dr. Minal Pareek's highly anticipated book 'Alfa Generation's Book for Comprehensive Digital Media: A Way Ahead with New Technology in Higher Education' was launched at the Press Corner of the 48th International Kolkata Book Fair 2025. The book release had a distinguished gathering of academics, media professionals, and dignitaries, all of whom lauded the prompt and significant contribution of this publication. 'Alfa Generation's Book for Comprehensive Digital Media' is more than just a textbook; it is a comprehensive resource designed to equip both current and future generations with the knowledge and tools necessary to navigate the ever-evolving world of digital media.

**Arkadeep Mandal Shines at All India TATA Steel Chess Festival**

Arkadeep Mandal, a 2nd Year B.Tech CSE student, competed in the All India TATA Steel Chess Festival, organized by the All India Chess Federation (AICF) and Sara Bangla Daba Sangstha (SBDS). Arkadeep faced Anish Sarkar, the youngest FIDE-rated chess player and 'Wonder Boy of Kolkata'.

**Innovation Design & Entrepreneurship Boot Camp**

Department of School Education & Literacy, All India Council for Technical Education (AICTE), and Ministry of Education Innovation Cell, in collaboration with CBSE and NCERT, organized a two-day 'Innovation, Design and Entrepreneurship Boot Camp'. The initiative aimed to nurture the innovation, design, and entrepreneurial skills of school educators. Held at SNU, the boot camp was inaugurated by Swami Vishokananda, Secretary of Ramakrishna Mission Vivek Tirtha, Prof. Dhrubajyoti Chattopadhyay, Vice Chancellor of SNU, and Yogesh D. Brahmkar, Innovation Director, Ministry of Education, Innovation Cell, Government of India. The event attracted 134 registered participants, with 100 attendees from schools across West Bengal. Key sessions included a panel discussion on 'Overview on Grants and Funding Opportunities for Student Start-ups' featuring Sudip Paul, Smarjit Mitra, and Vibhor Tandon. A discussion on 'Innovative Benchmarking Practices in Entrepreneurship Education' included experts Dr. Ananda Mitra, Dr. Rupma Chakraborty, and Prof. Raj Sekhar Aich. Participants toured SNU's Incubation Centre, where innovative projects like a portable EV charging device, Bluetooth-based irrigation system, and solar-powered charging device were showcased. The second day featured an Intellectual Property and Technology Transfer workshop, inaugurated by Prof. Dhrubajyoti Chattopadhyay and Manjit Nayak. Yogesh D. Brahmkar led the workshop on government policies for innovators and discussed the importance of incubation centres. Dr. Sonali Roy, CEO of RISE Foundation, IISER, spoke on research opportunities and collaborations.

**Awareness Session on Drug Abuse**  
The West Bengal State Legal Services Authority conducted an Awareness Session on Drug Abuse at SNU.

**SNU-IGBC Student Chapter**

SNU celebrates the launch of the Indian Green Building Council (IGBC) Student Chapter, marking a significant milestone for the university's commitment to sustainable practices and environmental consciousness.

**Adhigam Bhoomi Field Visit**

A team from the Institution's Innovation Council of SNU along with the Department of Architecture & IGBC Student Chapter, visited Adhigam Bhoomi. This remarkable institution empowers 1,000 underprivileged girls through a unique educational approach combining modern techniques, alternative methods, and Vedic traditions, fostering empathy, responsibility, and spiritual growth.

**MESSAGE FROM THE DESK OF THE VICE-CHANCELLOR**

Education is not merely the transfer of knowledge from teacher to student; it is an evolving journey of discovery, curiosity, and personal growth. As you embark on this academic path, I encourage you to embrace the philosophy of student-centric learning - an approach that places you at the heart of your education and empowers you to take charge of your intellectual and personal development.

In today's rapidly changing world, the ability to think critically, solve complex problems, and collaborate effectively is more valuable than ever. No longer is success defined solely by memorizing facts and figures; rather, it is determined by your ability to adapt, innovate, and engage with the world around you. That is why, at our institution, we are committed to creating an environment that nurtures creativity, fosters independent thinking, and provides you with the tools to become lifelong learners. Remember, education is not confined to the four walls of a classroom. The lessons you learn through research, group discussions, extracurricular activities, and real-world experiences will shape you into a well-rounded individual. Take advantage of the opportunities that come your way - engage in critical discussions, seek mentorship, and participate in interdisciplinary projects that challenge your perspectives. Your voice matters, and your ideas have the power to bring change. As you move forward in your academic journey, I encourage you to cultivate a spirit of inquiry. Ask questions, explore new horizons, and never be afraid to think differently. The world needs innovators, problem-solvers, and compassionate leaders - roles that each of you are capable of fulfilling. Let this phase of learning be one of passion, determination, and resilience. You are not just students; you are the future architects of society. Believe in yourself, work hard, and continue to strive for excellence. I extend my best wishes to each of you for a fulfilling and enriching learning experience. May your academic endeavors lead you to great success, and may you always carry the light of knowledge with you wherever you go.

**PROF. (DR.) DHRUBAJYOTI CHATTOPADHYAY****Aperture Alchemist Street Photography Workshop**

With renowned street photographer Sammya Brata Mullick, Founder of Kolkata's famous Photography page Calcutta Instagrammers, 150+ participants from different colleges like Presidency University, Adamas University, St Xavier's University, Jadavpur University, IEM, I-Lead and companies like TCS, KPMG, and Cognizant joined the workshop.

**IKBF Mascots designed by SNU student**

Year student of School of Media Communication, Fine Arts & Design, SNU.

Swan couple Haso and Hasi, the official mascots of the 48th International Kolkata Book Fair 2025 have been designed by Ashmita Dey, a 2nd

**Peter Johnson A's Doctoral Thesis**

Peter Johnson A's doctoral thesis titled 'Strategic Interventions in Tribal Education Management: A Study on the Selected Missionary Schools in West Bengal' under the expert guidance of Dr. Subir Chattopadhyay and in the presence of external expert Dr. Amitava Sarkar.

## TECHNO INDIA UNIVERSITY TRIPURA

TECHNO INDIA  
UNIVERSITY  
TRIPURA

## Message from the Desk of the VICE-CHANCELLOR

At the very outset, I wish everyone a happy new year 2025! On January 1, 2025, I proudly completed the first year of my tenure as the Vice-Chancellor of Techno India University, Tripura. I am immensely happy and proud of what we have achieved together under the visionary leadership and guidance of our Hon'ble Chancellor, Shri Satyam Roychowdhury.

At TIUT, we have strived not only for academic excellence but also for instilling human values and eco-consciousness in our students. Aligned with our motto, "Creating Sustainability Leaders and Beyond," and as we embark on new beginnings, we remain committed to fostering holistic development, equipping students with world-class knowledge, and empowering

them to become responsible global citizens.

Let us move forward with determination and purpose, inspired by Swami Vivekananda's timeless words: "Arise, awake, and stop not till the goal is reached."

**PROF. (DR.) RATAN KUMAR SAHA**

### TECHNO FIESTA

Techno India University, Tripura (TIUT) hosted Techno Fiesta 2024 - the annual freshers' welcome program, in a grand celebration that combined cultural diversity with academic excellence. The event was graced by distinguished dignitaries including Sushanta Deb, Hon'ble MLA of the Tripura Legislative Assembly as Chief Guest, and Guests of Honour Prof. Ganga Prasad Prasain, Hon'ble Vice-Chancellor of Tripura University, Jharna Debbarma, Hon'ble Chairperson of the Tripura Commission for Women, and Dr. Vishal Kumar, IAS, District Magistrate & Collector of West Tripura. Techno Fiesta 2024 exemplified the institution's commitment to blending academic rigor with cultural appreciation, reinforcing its mission to create well-rounded individuals in alignment with the National Education Policy 2020.

### ENLIGHTENMENT

Techno India Knowledge Campus came alive with 'Enlightenment' organized collaboratively by Techno College of Engineering, Agartala and Techno India University, Tripura. The evening blended tradition and festivity, featuring vibrant Rangoli displays, dazzling festive lights, and an energetic Garba dance that united students and faculty in joyous revelry. The event highlighted the spirit of community and cultural heritage, creating a memorable experience for all attendees. Enlightenment served as a perfect prelude to the Festival of Lights, encapsulating the essence of togetherness and celebration.

### TIUT AND TRIPURA UNIVERSITY SIGN LANDMARK MOU

Techno India University, Tripura (TIUT) and Tripura University reached a significant milestone with the signing of a Memorandum of Understanding (MoU) aimed at fostering academic and research collaboration. This landmark agreement was formalized during an event attended by distinguished dignitaries, including the Vice-Chancellors of both institutions, Prof. (Dr.) Ratan Kumar Saha of TIUT and Prof. Ganga Prasad Prasain of Tripura University. The MoU aims to enhance research output, promote the sharing of resources, and implement innovative teaching methodologies, paving the way for academic growth and mutual progress. This collaboration is expected to strengthen the academic landscape of Tripura, setting new benchmarks in higher education and aligning with the broader goals of academic innovation and excellence.

## PRELUDE

**Prof. Koushik Dutta's Prestigious ANRF Research Grant**  
Prof. Koushik Dutta, Head, Dept. of ECE of NSEC and Fellow IEI, SMIEEE, LMInRaSS has secured prestigious research funding from the Anusandhan National Research Foundation (ANRF), formerly known as the Science and Engineering Research Board (SERB), Government of India. The ANRF has sanctioned funding of approximately ₹48 lakhs for the research project titled 'High-Gain and Wideband Electronic Beam-Switching Antennas Featuring Continuous Beam-Scanning over Wide Scan Angles for Millimeter-Wave 5G Applications' (Core Research Grant No: CRG/2023/002898). This significant funding will support the procurement of advanced equipment, high-performance computing resources, fellowships for research personnel, and other essential resources to drive the project forward.

### Work on New Ideas & Innovation

Institution's Innovation Council (IIC) at Netaji Subhash Engineering College has been established in October, 2019 to encourage the creative energy of our students to work on new ideas and innovation and promote them to create startups and entrepreneurial ventures. Following the aforesaid objective NSEC-IIC focuses on performing innovative activities throughout the year. As a result students are regularly attending different national and international level innovative competitions like Chatra Viswakarma, Smart India Hackathon (SIH), Toykathon, Instinct, National Innovation Contest (NIC) etc. organized by different govt. recognized organizations. Students of NSEC are winning these competitions regularly. They have been winning the Chatra Viswakarma Award in 2020, Toykathon in 2021, NIC in 2021, Instinct in 2022, SIH in 2023 and many others similar prizes in other such innovative challenges. Three teams NSEC won the SIH 2024 in three different problem statements. NSEC-IIC filing patents for these innovations through the NSEC IPR Cell. The NSEC-Incubation Centre under NSEC-IIC provides Incubation support both technically and financially towards realizing these innovation prototype to marketable product. As a whole NSEC-IIC provides an all-round 360-degree support towards creating a vibrant innovation entrepreneurship eco system within NSEC campus.

### NSEC: A Remarkable Campus Placement Success for the 2025 Batch

Netaji Subhash Engineering College (NSEC) has once again demonstrated its excellence in campus placements with the 2025 pass-out batch achieving outstanding results. A total of 221 students secured offers from TCS, with 28 students selected in the prestigious TCS Prime category, receiving packages of 9 LPA, and 49 students in the TCS Digital category, earning 7 LPA. This highlights the high calibre of students and their technical prowess. Beyond TCS, Cognizant extended offers to

### Cognitive Trans-Humanism: A Realistic Future of AIML and career opportunities

Artificial Intelligence and Machine Learning (AIML) is a rapidly evolving field with growing demand in various industries, including healthcare, education sector, finance, e-commerce, medical science, security and more. In Netaji Subhash Engineering College (NSEC), we have launched a B.Tech. CSE (AIML) program with 240 intakes. In the curriculum of the B.Tech program aligns with industry needs and stays up-to-date with the latest advancements, it can provide valuable knowledge and skills. Students can choose from a wide range of careers as AI Architect, Machine Learning Engineer, Data Scientist, Robotics Engineer, NLP engineer and many more. Within 3 months of on campus, almost 50% students are placed in industry giants like TCS and CTS. In addition, one student of the final year published a patent and launched a start-up as an entrepreneur. In a world where the influence of AIML is continually expanding, seizing the opportunity to embark on a transformative educational journey with the B.Tech. CSE (AIML) program at NSEC is your stepping stone to a dynamic future. The possibilities are limitless, and the demand for AIML experts is ever-growing. We have highly qualified faculty members who can lead the research, design, implementation and evaluation of algorithms and AI models to enhance the quality and performance of personalized intent understanding and ranking systems in the cutting edge domain of AIML. Take the first step towards a rewarding career that leverages the power of AIML in organisations worldwide. Join NSEC today to take up on a path to become a distinguished Machine Learning Engineer, an AI Scientist, or a specialist in cutting-edge domains. Enrol now in B.TECH CSE (AIML) program and become a catalyst for change in the technological era of tomorrow.

### Dr. Anupam Ghosh

HOD, Department of AIML | Professor, Department of CSE AIML

### Teaching with Industry Standards

As an experienced faculty member with a strong foundation in the IT industry, the realization to change the conventional teaching style and adoption to the new age standards was upfront. The gaps in traditional learning methods contributes negatively to the industry-academia divide and hence called out for the below aids that I have adopted in my lectures: (a). Digital Pads for Dynamic Learning: Replacing whiteboards, I use digital pads for visually enriched lectures with real-time diagrams and annotations. This enables instant sharing of materials and promotes eco-friendly learning. (b). Gamified Learning Modules: Incorporating quizzes, leader-boards and rewards makes technical concepts interactive, fostering motivation and healthy competition. Open source no-cost applications are used to enable this. (c). Virtual Labs and Coding Simulators: Practical exposure is critical. My sessions leverage virtual labs and simulators, allowing students to solve real-world problems in real time and in a risk-free environment. (d). Interactive Polling Tools: Polling and contributory tools ensure real-time engagement for feedback and inputs helping me adapt my teaching pace and style. (e). Role Reversal for Active Participation: Encouraging students to present subject matter fosters ownership, enhances communication skills, and deepens understanding. My attempt is to align the teaching with industry standards and adopt these forward-thinking methods to empower students to excel academically and thrive in the competitive IT landscape.

### Kallol Bhattacharya

Former General Manager, Wipro Technologies  
Associate Professor of Practice, AIML, NSEC

33 students, showcasing its confidence in NSEC talent. EPAM made a mark by offering 5 students attractive packages of 8 LPA, while Sasken onboarded 4 students with competitive offers of 6 LPA. With several placement results still pending and numerous companies in the pipeline, the 2025 batch is poised for even greater success. This achievement underscores the college's robust placement training programs, dedicated faculty, and the relentless effort of its students. NSEC continues to uphold its reputation as a hub for nurturing future-ready professionals, equipping them with the skills to thrive in today's dynamic industry landscape.

### Debarshi Dutta

Head-Training & Placement, NSEC

## Message from the Desk of the PRINCIPAL

Founded in 1998 by the visionary academicians Mr. Satyam Roy Chowdhury, Netaji Subhash Engineering College (NSEC) was established with a commitment to academic excellence and nation-building. This institution was inspired by the ideals of Netaji Subhash Chandra Bose, whose contributions to India's freedom movement and vision for a self-reliant nation continue to guide its mission. Netaji firmly believed that true independence lies in a strong foundation of education and technology, a belief that remains at the core of NSEC's objectives. NSEC holds the distinction of being the region's first self-financed engineering college, proudly celebrating over 27 years of academic excellence. All programs, are approved by the Department of Higher Education, Government of West Bengal, and the All India Council for Technical Education (AICTE), Ministry of Human Resource Development, Government of India. The college is affiliated with Maulana Abul Kalam Azad University of Technology, West Bengal (formerly West Bengal University of Technology - WBUT). The diploma programs are approved by the West Bengal State Council of Technical Vocational Education and Skill Development. As we are at the beginning of another year of academics and holistic excellence, we take this opportunity to extend our heartiest best wishes to all the students appearing for the Class 10/12 Board exams for a fulfilling career in Engineering Technology and Management Sciences.

### PROF. (DR.) AMAL K. GHOSH

### Collaborative Research Efforts

At NSEC, we are at the forefront of innovative research activities, fostering a dynamic environment for academic excellence. As the Convener, I am proud to highlight our collaborative research efforts, which span across diverse disciplines, resulting in the publication of numerous international journals that are indexed in major databases like SCI, SCIE, Scopus, Web of Science and PubMed, conference papers, books (both edited and text books) and book chapters. Our faculty and students actively engage in cutting-edge research, supported by significant research grants, propelling advancements in engineering and technology. Our vibrant IEEE Student Branch Chapter and Affinity Group initiatives play a pivotal role in nurturing a culture of inquiry and innovation. Through these platforms, we have successfully organized seminars, conferences and FDPs that provide a rich avenue for knowledge exchange and professional development. These activities not only enhance the academic prowess of our institution but also position NSEC as a hub for ground-breaking research and a catalyst for technological progress.

### Dr. Anuradha Saha

Convener, R&D Committee  
Assistant Professor, Dept. of AEIE, NSEC  
Advisor, IEEE WIE Student Branch Affinity Group of NSEC

### Pave Your Future with a Diploma in Engineering at NSEC

Choosing the right institution for your engineering journey is crucial for building a successful career. Netaji Subhash Engineering College (NSEC) stands out as a beacon of excellence in technical education, offering Diploma programs in four promising streams: Electrical Engineering, Computer Science, Civil Engineering, and Electric Vehicles. At NSEC, students gain a competitive edge through the guidance of highly qualified faculty members who bring expertise and experience to the classroom. The college boasts state-of-the-art laboratories, ensuring hands-on learning with the latest technology and tools. These facilities, combined with a well-structured curriculum, empower students to excel academically and professionally. The dedicated placement cell at NSEC ensures that students are industry-ready, connecting them with leading companies and organizations. Graduates find vast employment opportunities in their respective fields, thanks to the college's strong industry ties. Additionally, students aspiring to pursue higher education are well-prepared to enrol in B.Tech program as lateral entry and complete the degree in 3 years. With the booming demand for skilled professionals in fields like computer science, electric vehicles, and sustainable civil projects, an engineering diploma from NSEC offers limitless career potential. Admission to the diploma programs is open to students who have completed their 10th standard, making it an ideal choice for those ready to embark on a rewarding career path.

### Dr. Tridibesh Nag

## Techno International New Town

### ACHIEVEMENTS

#### NAAC Accreditation Celebration

Techno International New Town (TINT) has achieved a B++ grade in its first NAAC Accreditation cycle, reflecting excellence in academics, infrastructure, and stakeholder contributions. With 22 graduates becoming successful entrepreneurs and six startups market-ready, TINT fosters innovation through its EDC, IIC, and incubation cells. Supported by the S.N. Bose Centre and IPR Cell, TINT emphasizes transforming scientific knowledge into impactful products, driving economic progress, societal well-being, and a sustainable entrepreneurial ecosystem.

**Dr. Nilanjan Dey**, Associate Professor of Computer Science and Engineering (CSE) at Techno International New Town, has been appointed as a **Distinguished Visiting Professor** at Singidunum University, Serbia (2024-2026). He is listed among the World's Top 2% Scientists (Stanford University, 2024), ranking 12th in AI and Image Processing in India, and 12th in Research.com's Computer Science rankings for India.

#### IDE Boot Camp

Prof. Biswadeep Banerjee and Dr. Parthapratim Chakraborty, Assistant Professors, Department of Basic Sciences and Humanities (BSH), Techno International New Town mentored teams The Menses Friend and Milk Crafts at the **IDE Boot Camp** Edition 2 Phase 1, held at IIM Sambalpur. The Menses Friend secured 2nd Prize, while MilkCrafts actively participated, gaining valuable insights into idea refinement, business strategies, and innovation through workshops and expert mentoring.

Team **TINT Talkies** became the 2nd Runner-up in the Street-Play Competition organised by Bethune College

Two faculty members from ME and AEIE departments have successfully completed the **AICTE Quality Improvement Program** for Post Graduates (QIP-PG) Scholarship, while several others are nearing completion. TINT has proactively implemented the QIP initiative for core engineering disciplines including CE, EE, ME and AEIE. Arindam Roy Goswami, Assistant Professor, Department of Engineering has successfully completed 'Robotics and 3D Printing' Program from the Indian Institute of Technology (Indian School of Mines), Dhanbad. A paper has also been presented at the 6th International Conference on Tribo-corrosion (ICTC-2024) held at IIT-Delhi, entitled 'Corrosion and Scratch Resistance Characteristics of AZ31-ZrO<sub>2</sub> Nano-composites'.

#### Conference Paper presented at IEC

Several students from the Electrical Engineering (EE) department at TINT have achieved remarkable milestones. A conference paper on 'Smart Street Light System with Adaptive Intensity Control and Fault Detection' was presented by final-year students under the guidance of Dr. Ayindrila Roy and Prof. Mitul Ranjan Chakraborty at the 39th Indian Engineering Congress. Notable alumni include Soumya Deb Roy, selected for IIT Kharagpur's prestigious Joint M.Tech/ MCP-PhD program, Manojit Bag, who secured positions at IOCL and Power Grid through GATE-2024, and Kusumkoli De, pursuing a PhD in Electrical Engineering at IIT Bombay, marking a significant academic milestone.

Team **Mind Matrix** secured 2nd Runners-up position at the InnovateX competition, one of the events of the Flagship Techfest of IMI Kolkata at Alipore. Ricky Dey CSE 3rd year, Sorbojit Mondal CSE 3rd year, Anurag Dey CSE 3rd year, Yuvaraj Prasad CSE 3rd year.

**ICDMAI Hackathon 2025** was held in Adamas University. Team Detrix consisting of Ricky Dey CSE 3rd year, Sorbojit Mondal CSE 3rd year, Piyush Goenka CSE 3rd year, Anurag Dey CSE 3rd year, Ashutosh Saha CSE 1st year under the guidance of Dr. Nabanita Das from CSE department became the 1st runners up in this competition.

### EVENTS

**TINT Annual Sports 2025** Exuberance 4.0 was a celebration of team spirit, dedication, and perseverance.

#### Shot Stories

TINT Film Club - TINT Talkies organized its Annual Flagship Event 'Shot Stories' 2024. It is an Inter-College Short Film Festival. An Inter-College Drama and Script Writing Contest were also a part of this Festival, where students flaunted their creative talents.

**Aglo Arena** A Workshop and Coding Competition 'Aglo Arena' was organized by TINT ACM Student Chapter for the students. The competition consisted of three levels with five shortlisted winners.

**Transgender Awareness Campaign** TINT organized an Awareness Programme on Transgender Persons in collaboration with National Institute of Social Defence, New Delhi and Jay Prakash Institute of Social Change, Kolkata. The students of the institute interacted with the resource persons who shared deep insights on gender sensitivity and inclusion.

#### Message from the Desk of the PRINCIPAL

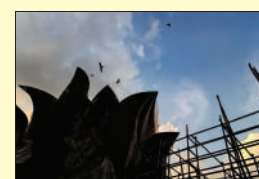

As we step into the first quarter of a brand new year, I extend my warmest wishes to all for a prosperous, joyful and fulfilling 2025 ahead. A new year brings with it fresh opportunities, new goals and renewed hope. Let us approach this year with determination, positivity and purpose. The past year has been one of growth and success for Techno International New Town. This year, I encourage each one of you to embrace the opportunities ahead. I look forward to witnessing the incredible accomplishments that will unfold in the coming months. Wishing you and your loved ones health, happiness and prosperity in the year ahead.

**DR. AYAN CHAKRABORTY**

#### INITIATIVES

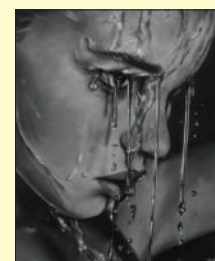

Techno International New Town (TINT) has launched several forward-thinking initiatives. The Green Initiative promotes environmental awareness, afforestation, and eco-friendly practices through the newly formed Eco Club. The MSME-approved Business Incubation Cell supports seven incubates with government funding and plans to establish industry-collaborative labs. Additionally, TINT is preparing to apply for NBA accreditation, with revamped infrastructure in Engineering and Management Sciences, further solidifying its commitment to academic excellence, sustainability, and innovation.

## ACHIEVEMENTS

**Pushan Karmakar** 4th Year student from Computer Science & Engineering (2025 Pass-Out Batch) has secured a prestigious internship at the UR Rao Satellite Centre (URSC), Indian Space Research Organisation

**Akanksha Rani** 4th year student from Computer Science & Engineering (2025 Pass-out Batch) has secured a prestigious internship opportunity at the UR Rao Satellite Centre (URSC), Indian Space Research Organisation

**Dripta Majumdar, Arunangshu Nag, Rounak Pramanik, and Arpan Dey, Kunal Ranjan, Priyanshu Kumar Choubey, Nishant Kumar, and Badal Kumar Singh, Swarnadeep Saha Poddar** of CSE 4th year got selected for 7th Regional Science & Technology Congress (Region - 1)

**Aryan Anand** from CSE batch 2021-2025 has got multiple offers, the first job offer being from Ernst & Young (E&Y) and now an internship offer from Pisarv Technologies.

**Prof. Anupam Mukherjee** (HOD - CSE) completed Google's "Foundations: Data, Data, Everywhere" course on Coursera! This journey has enhanced my understanding of data-driven decision-making. Prof. Anupam Mukherjee (HOD - CSE) completed the Programming (Started with Python) course, authorized by the University of Michigan and offered through Coursera. Under the guidance of Dr. Charles Severance. **Dr. Joydeep Dutta, Dr. Sirshendu Sekhar Ghosh, Mr. Anupam Mukherjee, and Mr. Mithun Roy** got selected for the 7th Regional Science & Technology Congress (Region-1).

## INITIATIVES

### Academic Administration

OBE implementation in the classroom, Skill set identification and mapping for attainment of outcome in all practical and sessional courses. IQAC: Internal Academic Audit done in October 2024, OBE implementation across all practical and session courses

**Soft Skill & Personality Development Program**  
A 4-Day Soft Skill & Personality Development Program was organized by the MBA Department. During the workshop students were engaged in interactive workshops, various exercises, and insightful discussions, all aimed at enhancing communication, teamwork, and leadership skills. The sessions were conducted by well-known expert trainers Anandi Chatterjee, Career Counsellor and Interview Specialist, Founder & Managing Partner of KnowledgeCorp, Kolkata.

## EVENTS

**SMART INDIA HACKATHON**  
The Internal Hackathon for Smart India Hackathon 2024 at Siliguri Institute of Technology (SIT) was an exhibition of ingenuity, technical

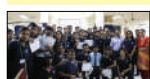

acumen, and collaborative spirit.

### Faculty Development Program

A 5-day FDP on "Generative AI for Educators and Teachers" organised by Siliguri Institute of Technology. This Five Days FDP had the following objectives: Introduction to Gen AI & LLM, Responsible use of AI in education, Adoption of Gen AI in higher education, Experts from various industry and academia took part in the FDP.

**Self-defence Workshop** for girls organised by Arun Lama and his team demonstrated different techniques of Judo, Taekwondo and Karate.

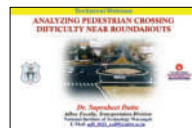

**Coding Competition**  
Department of CSE hosted a Coding Competition. Top 10 participants were recognized and awarded during the event.

## EVENTS

Department of CSE is publishing its departmental newsletter **Infocast** (Volume VI Issue II).

### Technical Webinar on Urban Transportation Planning

Department of Civil Engineering (CE) organised a Technical Webinar on 'Urban Transportation Planning'. Dr. Suprabheet Datta, Faculty of Transportation Division, NIT Warangal delivered a presentation on 'Analysing pedestrian difficulty near roundabouts'.

### CSE 30 Days Coding Challenge

30 Days Programming Challenge 'Learn to Code, Unlock Your Potential' is a hit. The winners Piyush Dutta, Soumyadeep Roy, Swastik Chatterjee, Sahim Sha, Debashish Sinha, Debaditya Chatterjee were felicitated with mementos and certificates from HODs Anupam Mukherjee, Sirshendu Sekhar Ghosh, Dr Joydeep Dutta, Mainak Sanjal.

**Industry-Induced International Workshop**  
**Sreyashi Das** (Senior Data Engineer at Netflix) shared her incredible journey and industry experience with a session on Data Modelling in Machine Learning. Over 90 students joined in and were fascinated by her insights.

### Tug of Words

An extempore cum debate competition: "Tug of Words" was organized by the Computational Research Club (CRC) of Information Technology Department. Students were awarded with 1st, 2nd, 3rd positions and a special jury award for an overall participation among most of the topics.

### Seminar on Basic Drone Technologies and Futuristic Applications

A 2-day Seminar on Basic Drone Technologies and Futuristic Applications has been arranged by Department of ECE, SIT and Pisarv Technology. The purpose of the event is designed to introduce participants to the dynamic and rapidly evolving field of drone technology. The objective of a Drone Technology Workshop is to provide participants with foundational knowledge and practical skills related to drones, including their design, operation, and applications. The workshop aims to equip participants with both theoretical knowledge and hands-on skills to confidently understand and work with drone technology in various fields. The Drone (Nabhrakshak 1.0) has been handed over to the students of Cyber Physical Club of ECE Department by the Principal of SIT. Around 100 students from different streams participated.

### DreamTation '24

A Software Industry Awareness Program was organized by the Optimization Club of the Department of CSE (AI&ML). Top 10 participants presented their PPTs on the event date. This is an excellent opportunity to gain insights into industries like Microsoft Corporation, Apple Inc., Google, Infosys, TCS, Amazon, Goldman Sachs, INTEL, etc.

### Internal Smart India Hackathon

Team Utkarsh Innovation Club of Electrical Engineering (EE) secured the 2nd Runner-Up position in Internal Smart India Hackathon. Team members were Rahul Jaiswal, Shayontuk Dey, Sweta Singh, Rosan Ram, Nabonita Chanda and Md. Akbal Hussain.

**Medical Camp** organised for stakeholders and local community people in association Lions Eye Hospital and Neotia Getwel Hospital.

## Message from the Desk of the PRINCIPAL

Dear students, faculty, esteemed parents and guardians and all stakeholders, as we commence with a fresh beginning in January with positive mind for a positive change we are having a fresh new chapter of our book called Life to write with all goodness. Let us thank Almighty God, the Nature, our friends, well wishes and everyone for all the love and support extended in the last year and hope we will be blessed in continuing receiving so. Let us commit in the eve of this new year that we will not leave a single stone unturned to accept all the challenges, possibilities that Life has to offer and will continue grow together. I acknowledge the potential, promise of our stakeholders for all their greatest achievements in the bygone year and hope the same will be continued in the coming 365 days. I assure that we will be fully committed for creating a better future for our students. May this year be the one where all your dreams come true, and all your efforts bring the success everyone deserves. I wish you all a very happy, healthy, successful and prosperous 2025, on behalf of the Management and staff of Siliguri Institute of Technology. As Revered Swamiji said "May this 2025 find you younger in heart, stronger in body, and purer in spirit". May God bless us all.

## DR. MITHUN CHAKRABORTY

## EVENTS

### International Conference

ICTDS-2024 is designed to bring together the academics and other professionals' experts to discuss cutting-edge developments in respective fields. By interacting with other, participants will be able to develop their abilities and refine their ideas and methods. They will also get the opportunity to meet with specialists and eminent delegates, as well as discuss ideas and research findings from previous and current studies. Publication Partner: Springer is a leading global scientific, technical and medical portfolio, providing researchers in academia, scientific institutions and corporate R&D departments with quality content through innovative information, products and services. 50 research articles have been selected for publication in Springer Proceeding "Lecture notes in Networks and Systems (LNNS) out of 286 research paper across the globe.

### Deeksharambh

Deeksharambh marked the new beginning of the higher education aspirant of B.Tech with an objective to empower the students with the knowledge and awareness of all the units of SIT. Felicitation of Keynote speaker Dr. Deepak Vohra, Ambassador & Special Advisor to the Prime Minister of Lesotho by the Principal.

### SIT 25 Years Closing

Founder MD of TIG Satyam Roychowdhury felicitated distinguished guests Mrs. Nayantara Pal Chowdhury, Director and Partner of Mohangaon & Gulma Tea Estate, and Prof. (Dr) Tapas Chatterjee, former Director of SIT & Registrar of University of North Bengal. Present were Bhaskar Roy, Vice President of TIG, Jayanta Ghoshal, Chief Media Officer of TIG, Mira Bhattacharya, Director of TIGWS Siliguri, Dr. Mithun Chakraborty, Principal of SIT & Chairman of Silver Jubilee Committee, Dr. Arundhati Chakrabarti, Principal-in-charge of SIT College for Professional Studies, Mrs Padma Yolmo, Principal Himalayan Nursing College & School, Anindya Basu, Principal-in-charge of SIT Diploma College and Nandita Nandi, Principal of TIGPS Siliguri. A cultural program was organised in the evening where students paid their homage to Late Mrs Mou Roychowdhury, Co-chairperson of Techno India Group.

### Go Green Plantation Drive

was organized with local community people, faculty, staffs and students. 50 different plants were planted by the Founder MD Satyam Roychowdhury.

## Techno International Batanagar

## ACHIEVEMENTS

**PhD degree from IIT (ISM) Dhanbad**  
**Dr. Suman Kumar Laha**, HOD & Assistant Professor of ECE, Techno International Batanagar has been awarded with his PhD degree from IIT (ISM), Dhanbad.

## Everest Base Camp conquered

**Santanu Paul**, Accountant from the Finance & Accounts of Techno International Batanagar has successfully completed his Everest Base Camp (EBC) which is at an altitude of 5,364 meters (17,598 ft.) in Nepal, in November, 2024.

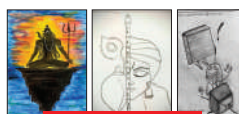

## Silver in Archery

**Sayan Chakraborty**, a student of CSE (2024 batch) has achieved his 2nd Silver medal in the Senior Men's Category at the 45th State Archery Championship.

## INITIATIVES

Techno International Batanagar has prepared a plan for hosting a number of events that will nurture and boost the abilities of students to face the real world.

**Academic Activities:** An assessment test will be conducted every week to prepare the students for the screening tests by IT companies. Department will maintain progress report of individual student. **Soft-Skill Activities:** Soft skills are an essential part of improving one's ability to work with others and can have a positive influence on furthering one's career. The week-wise activities will revolve around the following events: Verbal and Non-verbal communication, Group Discussion, Debate, Extempore, Elocution. **Technical Activities:** Technical skills are the specialized knowledge and expertise required to perform specific tasks and use specific tools and programs in real world situations. The activities will revolve around the following events: Technical Quiz, CA1 presentation, Technical presentation, Value Added Training, Alumni Talk and Prayas2k25. **Sports Activities:** Sports day brings together the entire school community in a spirit of camaraderie and bonding. The sports instructor will lead daily activities like outdoor and indoor games and organize a Sports Day. **Cultural Activities:** Cultural activities foster a sense of community, promote creativity, develop social skills, enhance cultural awareness, and provide a platform for self-expression. The following events will be conducted: Flower Rangoli, Vasant Panchami Utsav, Barsha Baran, Rabindra Jayanti, and Equinox 2K25.

## EVENTS

## Industrial Visit

The students of Techno International Batanagar have successfully completed their Industrial visit in Mageba Bridge Products Pvt. Ltd. The Department of Electronics & Communication Engineering (ECE) has taken the initiative to accomplish this task. In this industry visit, the students from Electronics & Communication Engineering (ECE), Mechanical Engineering (ME) and Electrical Engineering (EE) departments participated.

## Problem Solving and Ideation Workshop

A Problem-solving and Ideation Workshop (Value Added Course) has been arranged by CSE Department in the TIB institute premises with the guidance of the IISC Cell.

## Guest Talk on Innovative Thinking for Success

A guest talk on the topic 'Innovative thinking for success' with the key resource person Mr. Rikton Bhowmick (Director in Horizon Allienz Pvt. Ltd) was arranged by CSE Department.

## Motivational Talk

A motivational talk with our the CSE Department alumni Anubhab Dhar (Software Development Engineer in Intel Corporation Ltd.) was arranged by the CSE Department.

**Poster Design Contest**  
 A Poster design contest was held on National Pollution Control Day

**Cultural performance**  
by students

## National Energy Conservation Day

An Invited Lecture on Nano-electro-catalysts for renewable energy conversion applications by Dr. Shrabani Ghosh, Associate Manager, R&D, Spectrum Filtration was conducted on the occasion of National Energy Conservation Day.

**National Education Day**  
 National Education Day was celebrated to commemorate the birth anniversary of Maulana Abul Kalam Azad.

## WHY I WRITE

I write when my heart gets too heavy to hold  
 I write about my scars, new and old.  
 I write when I have a lot to share,  
 But to hear it out, no one has time to spare.  
 I write when I felt as lonely as one could see.  
 I write when thoughts in my Mind begin to sink.  
 I write to share whatever I think  
 I write, not with the desire of being known,  
 But to know the voice within my soul.  
**Soumi Bachar**  
CSE 3rd Year

## We are All the Same

Small as a peanut  
 Big as a giant,  
 We are all the same size  
 When we turn off the light  
 Rich as a Sultan  
 Poor as a mite,  
 We're all worth the same  
 When we turn off the light  
 Red, black or orange  
 Yellow or white  
 We all look the same  
 When we turn off the light  
 So maybe the way  
 To make everything right  
 Is for God to just reach out  
 And turn off the Light!  
**Soumi Bachar** CSE 3rd Year

## Message from the Desk of the PRINCIPAL

I extend my best wishes to students, stakeholders, parents and staff as we are in the first quarter of a new year. In the last session, there had been manifold activities for the unwavering pursuit of holistic academic and overall development of the students. The Parent-Teacher Meeting established two-way communication which helped parents understand their child's learning and development, and educational experience. Additionally, I would also like to mention that Techno International Batanagar organized its first official Grand Alumni Meet in its premises. Their leveraging contacts would support internships to the existing students as they expressed their concern for the institutions upliftment and growth. They narrated about the support and guidance they got from faculty members and management. We will continue to strive for academic excellence while focusing on social and emotional learning. We strive to instill the core values of respect and compassion to make our students stand out in the society. We also implemented new technology and resource to enhance our students' learning experiences. In addition to academic excellence, we understand the importance of co-curricular activities and extra-curricular curricular pursuits in an all-rounded education.

**DR. ASHOK KUMAR NASKAR**

## A Weathered Page, Story of the Ages

In worn and rustic pages,  
 I find my peaceful haven,  
 A land of mystique waits within,  
 Where the words are graven.  
 My favourite book, a dear confidant,  
 Ever enduring through time  
 Pages brimming with emotions,  
 Stood as literary masterpiece in its prime.  
 As I flip through the yellowed pages,  
 Memories rush back in a tide;  
 Of laughter, tears and joys beside.  
 Etched within this book so dear,  
 A testament to hope that I hold near.  
 A part of my being, forever enmeshed  
 With the characters, like old friends,  
 And the memories we've made.  
 In complexities of emotions within,  
 It's a lasting echo of reverence  
 That evermore spins.  
 My favourite book, my beloved ally,  
 That never departs.  
 Through every page, it remains with me,  
 Lighting up the darkened parts.  
**Dipanwita Adhikari** CSE 3rd Year

# Meghnad Saha Institute of Technology

## MEHFIL AND AGOMONI BY SARGAM

SARGAM, the Official Music Club of MSIT organised **Mehfil** and **Agomoni**. Mehfil was an enchanting orientation program by Sargam, crafted to welcome freshers into its vibrant musical realm. This elegant affair blended beguiling performances, heartfelt introductions, and engaging interactive sessions, setting the stage for a profound and inspiring atmosphere. Mehfil celebrated the essence of talent and passion, offering a platform for new members to connect, collaborate, and immerse themselves in the magic of music. The event exemplified harmony, creativity, and camaraderie, leaving an indelible mark on the hearts of all who attended. A true celebration of musical unity!

**Agomoni**, organized by Sargam was a vibrant celebration of dance, music, and devotion, marking the precursor to the auspicious occasion of Durga Puja. This event beautifully captured the spirit of festivity, blending cultural performances with heartfelt tributes to the Goddess. From soulful melodies to dynamic dance acts, they got it all covered, every performance radiated energy and devotion, setting the perfect tone for the upcoming festivities. Agomoni not only celebrated tradition but also brought the Sargam family together in unity and joy. It was a memorable evening filled with artistry, faith, and a shared love for culture and heritage.

## FOOTPRINTS

**FOOTPRINTS** organized by YUVA, the Official Cultural Club of MSIT at the Jai Hind Auditorium, is an exciting event designed to welcome freshers with open arms. This vibrant platform offers students the opportunity to showcase their unique talents, connect with peers, and interact with seniors. From mesmerizing performances to engaging activities, **FOOTPRINTS** is all about creating unforgettable memories and fostering lifelong friendships. It is the perfect way to kickstart the college journey with energy, enthusiasm, and a sense of belonging.

## MSL and MCL Auction

The Sports Club of Meghnad Saha Institute of Technology brought its vibrant energy to life with **MSL** (MSIT Sports League) and **MCL** (MSIT Cricket League) **Auction**. These highly anticipated events saw enthusiastic bidding in points as teams competed to secure the best players, blending strategy with excitement. The auctions highlighted strategic planning, camaraderie, and teamwork, building anticipation for the leagues ahead. This auction helps the students to use their points, brain, and strategy effectively and efficiently, which will help them to use in their respective fields of expertise.

The MSL (MSIT Sports League) and MCL (MSIT Cricket League) have become standout highlights on the college campus, fostering a spirit of healthy competition and unity among students. These initiatives not only showcased the club's dedication in promoting sportsmanship but also energized the student community, leaving everyone eagerly awaiting the thrilling competitions. A true celebration of teamwork and passion. **The**

**Meghnad Saha Soccer League (MSL)** Meghnad Saha Soccer League (MSL) was successfully organised in 8th and 9th February 2025 by the Sports Club of Meghnad Saha Institute of Technology. The MSIT Cricket League (MCL) continues to be a successful event of the college.

## Megatronix

**Advaya** the Annual Cultural Fest to be held in March 2025 is organized by YUVA, the Official Cultural Club of Meghnad Saha Institute of Technology. The vocations will be organized in April by Sargam, the Official Music Club of the college. **Paridhi**, the Annual Technical Fest will happen in May, organized by Megatronix, the Official Technical Club of MSIT.

## ABORON Blanket Donation Drive

The Resilient Club of Meghnad Saha Institute of Technology organized a compassionate initiative, 'Aboron' Blanket Donation Drive near Ajanta Cinema Hall. This heartwarming event that aimed to provide warmth and comfort to the underprivileged during the harsh winter. A total of 100 blankets were distributed, bringing smiles and hope to those in need. The initiative received immense appreciation from the community, reflecting the club's strong commitment to social responsibility and welfare. By addressing a vital need during the winter season, the Resilient Club set an example of empathy and action, inspiring others to contribute to meaningful causes. Aboron not only brought warmth to the less fortunate but also showcased the power of collective effort in making a difference. The club continues to uphold its mission of creating a positive impact on society through initiatives like this. The Resilient Club of Meghnad Saha Institute of Technology has organized a blood donation camp.

## Smart India Hackathon

Meghnad Saha Institute of Technology has conducted the **Internal Hackathon** in the college where 60 teams participated in an array of events and more than 40 teams participated in Smart India Hackathon 2024. Out of three finalist teams from MSIT, two of the CSE teams - **Team Code Shield** and **Team Bengal Tiger Apex**, emerged as the winners in the prestigious **Smart India Hackathon 2024**. A special mention goes to the faculty members from CSE Department whose guidance and support have been instrumental in this brilliant success. **Bengal Tiger Apex at SIH** - Bengal Tiger Apex team from Meghnad Saha Institute of Technology has performed brilliantly at the Smart India Hackathon.

**Remembering Netaji Subhas Chandra Bose**

**RANG TARANG**

**PRABHA & NANHE MUSKAN**

**Prithwish Baidya** from Electrical Engineering (EE), batch of 2025 becomes the **FIRST** student from the EE Department of Meghnad Saha Institute of Technology to break the ₹10 LPA barrier. Prithwish has secured a prestigious role at Eveready Industries India Ltd. with an impressive CTC of ₹10 LPA.

**Ishita Sarkar** of B.Tech. ECE batch of 2025 has secured a placement in Keyence

**Arya Chatterjee** of B.Tech. CSE batch of 2025 has secured a placement in Tata Consultancy Services (TCS)

## Message from the Desk of the DIRECTOR

In Meghnad Saha Institute of Technology, we judiciously mix various activities along with studies to bring out hidden talents of students in performing arts, sports, social work, etc beyond the curriculum. Students and alumni feel happy to come to the campus to remember glorious days and events providing a blend of career and fun.

As we reflect on another successful academic year, I am filled with immense pride and gratitude for the continuous growth and progress we've achieved together. Education is more than a series of lessons - it's about cultivating critical thinking, fostering creativity, and shaping individuals who will go on to make meaningful contributions to society. In this fast-evolving world, our commitment to providing an education that is both relevant and impactful has never been more important. Our faculty, whose dedication and passion drive our mission forward, have been instrumental in shaping a learning environment that values inquiry and exploration. Together, we have worked tirelessly to support our students not just academically, but holistically, ensuring that they leave with the skills, confidence, and resilience to face the challenges ahead.

This year, we have introduced innovative initiatives, updated curricula, and expanded our resources to create an even more dynamic learning experience. However, it is not just about academic excellence - it is about building a community of learners who value collaboration, diversity, and continuous personal growth. We believe in empowering our students to be lifelong learners, prepared for the complexities of the modern world.

As we look to the future, we are more committed than ever to maintaining the highest standards of academic excellence and ensuring that every student's journey is fulfilling and enriching. I am confident that with the continued support of our faculty, staff, and community, we will continue to achieve great things together. Thank you for being a part of this remarkable journey. Warm regards.

## DR. S. RAY CHAUDHURI

**Google Developer Students Chapter**

The Google Developer Students Chapter (GDSC) is a comparatively new engagement in Meghnad Saha Institute of Technology, with tie-up with Google.

GDSC has selected students as MSIT campus leads. They learn new technologies through Google, which help them to learn the new trends in the rapidly changing industry.

**Dip Kumar Das** of B.Tech. CSE batch of 2025 has secured a placement in Tiger Analytics

**Anurag Paul** of B.Tech. CSBS 2025 batch has secured a placement in TCS

**Tears**  
In the realm of irony and sorrow,  
Where tears flow freely, no tomorrow.  
I weave a verse, of shivering fears,  
With words that taste like flavour of tears.  
O the bittersweet taste that lingers on the tongue,  
A prominent reminder of all that's come undone.  
A flavour so unique, it leaves a bitter trace,  
A melancholic reminder of life's cruel embrace.  
In laughter's absence, tears find their stage,  
A performance of sorrow, trapped in a cage.  
Each drop, a reminder of a heart's lament,  
As it weeps silently, its emotions spent.  
The flavour of tears, an irony profound,  
A taste that graces both smiles and grown  
For in sadness and joy, tears leave their mark,  
Like a silent melody played in the dark.  
They speak of loss, of love's bitter demise,  
Of shattered dreams and unspoken goodbyes.  
Yet, amidst the pain, a profound beauty lies,  
As tears cleanse the soul, where healing implies.  
So let us savour the flavour of tears,  
For they hold the essence of all our fears.  
A testament to resilience,  
As life unfolds.

**Rudrangshu Roy Class XII Sc.**

#### Student Exchange Program (Yōkoso - Yūjin)

TIGPS Hooghly conducted the Student Exchange Program in association with Sister Nivedita University. Honourable delegates from Japan - Mamoru Ishida, Ed.D., Deputy Director for International Ed., Professor of Higher Ed. And Leadership, Yuto Inoue, New Business Development Specialist and Sandip Das Sir, Asst. Director School Operations, TIG were felicitated.

#### Inter-House Cricket Tournament

The Inter-House Cricket Competition held at TIGPS Hooghly showcased not only cricketing prowess but also the sportsmanship of the students.

**Celebration of Christmas**

#### Do You Have The Lion And The Deer In You?

Do you look in a mirror and pay close attention to your reflection? Look at yourself carefully. You are bold, fierce, vibrant, strong, brave, resilient, and a fighter. At the very same time, you are silent, sweet, gentle, quiet, prudent, loving, trusting. You are also divine, angelic, spirit, mystic, and charismatic. Now combine all these traits. The qualities are all in you and they are all one that make you the unique, beautiful person you are. You have learned to use these qualities in your SCHOOL OF LOVE, aided by Great Spirit within you, making you an irresistible fragrance. So, every time that you fall, awaken! Look in the mirror. You are a Lion and a Deer. You are a Wonderful Creation. You Are Amazing!

**Ria Mukhopadhyay, English Teacher**

#### PRINCIPAL'S MESSAGE

It is a time of reflection and renewal. As the principal of TIGPS Hooghly, I want to express my gratitude for the hard work and dedication of our students, staff, and families. The past year was filled with challenges and obstacles, but together we overcame them and achieved great success. Our students have excelled academically, socially, and athletically, and our staff has provided exceptional support and guidance. I am proud to be a part of such a dedicated and resilient community. We have many exciting opportunities and projects. We will continue to strive for academic excellence while focusing on social and emotional learning and an overall character development. We will also implement new technology and resources to enhance our students' learning experiences. Let us all strive to be our best selves, be kind and respectful to others, and work together to improve our school and community. In conclusion, I wish everyone a happy and healthy new year. Let us make the most of this new beginning and make the most of our time together. Thank you for your ongoing support and commitment to our school. I also want to remind our students and families that it is a time to set new goals and make positive life changes.

**DEBAYAN DUTTA**

#### GOD

You know, who is God? Hindus think God is Durga, Ram, Shiva, Saraswati etc. Christians think God is Jesus Christ. Muslims think Allah is God, but God does not have a shape nor a body. You see, Ram worshiped Shiva, Shiva also meditated someone. Jesus Christ also said "Forgive them God, they don't know what they are doing." So again the question arose, who is God? I can tell, God is the bright, point of light like a star, but brighter. And all these people are messenger of God. Earlier, I thought 'Krishna' is the only God and now I understand the God is the only bright point of light. And believe me, I am not making any stories to only impress you, it is reality. And if God created us, who created God? It is totally a 'loop'. And we do not surely know is there anything called 'God'. 'God' is a matter of belief and realization.

Our astute quizzers' team represented Team Techno, Coochbehar at the Inter-School Quiz Contest 'MindCraft' conducted by The Education National Committee of BCC&i where **Oishik Chatterjee** & **Arijit Barman** clinched the 2nd Runner-Up Trophy.

#### A SWAY OF APATHY

A delicate dance, indeed we play,  
Where insensitivity leads, night and day.  
Soft wounds and touches cover careless deeds,  
Wounding like knives, sharp, where love proceeds.  
Deep within the bones, words reside,  
Leaving aches that forgiveness can't hide.  
Heart sways, fragile and worn,  
A long, troubled night, darkness born.  
Can we forgive when hurt runs deep?  
Can love and kindness be our hearts' keep?  
The choice is ours, to heal and mend,  
And let love be, our guide to lend.

**Avipsa Roy XI Sc.**

#### Embracing Imperfection: It's Okay to Not Be Okay

In a world obsessed with perfection, it's liberating to remember: it's okay to not be okay. Struggles don't define weakness; they reveal our humanity. Pain, fear, and doubt are not enemies to conquer but teachers to embrace. Strength lies not in constant smiles but in the courage to acknowledge cracks in our armour. Vulnerability is a sign of authenticity, not failure. Healing isn't linear, and neither is life. Allow yourself the grace to feel, to falter, to grow. You are enough, even in your most fragile moments. Embrace your darkness - it's where light begins to shine through.

**Priyodarshika Chakraborty Class X**

#### PRINCIPAL'S MESSAGE

"Hope is the only thing with feathers  
That perches in the soul -  
And sings the tune without the words-  
And never stops at all." - Emily Dickinson

As we stand on the threshold of this New Year, let's begin afresh with gratitude and hope because hope invariably paves way for miracles. The world is always going to throw its left turns and chaos at us, all we need to do is fight the chaos to get the cosmos. The past year has been a challenging journey marked with innumerable achievements & milestones that have made us proud. The upcoming year, nonetheless screams of endless targets & opportunities. As a team, we shall look forward to grab those opportunities to fulfil our targets. Alongside striving towards academic excellence, we aim to focus on social & emotional learning & character development of our students. Let's strive to instil values of humility & compassion among our kids & essentially carve out characters in each one of them. Let us altogether make the most of this new beginning!

### ACHIEVEMENTS

**Sourya Sarkar** of class IX is selected for Pre-RDC Camp. In a Football Match in Viswa Bharati, students of classes VIII to XII became the Runners-up. Students of Classes VIII to X secured 3rd position in Basketball.

#### Halloween Celebration

Class III students were dressed in as ghosts and superheroes, and enjoyed a spooky story session, made pumpkin crafts, and played a Trick or Treat scavenger hunt.

#### Interactive Session with Authors

TIGPS Bolpur hosted Nidhi Poddar and Sushil Poddar, authors of 'Blaze: A Son's trial by Fire' to discuss their memoir and share their son Divyansh's inspiring journey.

#### Handwriting Competition

For students of Classes KG to V organized by the Mother Teresa Children's Development Society, Chhatrapati Sambhajnagar of Maharashtra.

#### Christmas Celebration

Play Group to Class V participated in carol singing, dance performances, and art and craft.

#### Techno Gram Sewa Activities

In collaboration with Antaranga of Ratanpally, Santiniketan, 2 weekly Art -Craft-Music classes are conducted for 30 underprivileged children. In collaboration with Brikhya Foundation (Self-Help Group), Cleanliness Drive and Tree Adoption Programme are conducted.

Ratanpally, Santiniketan, 2 weekly Art -Craft-Music classes are conducted for 30 underprivileged children. In collaboration with Brikhya Foundation (Self-Help Group), Cleanliness Drive and Tree Adoption Programme are conducted.

### EVENTS AND ACTIVITIES

**Suhas Mondal** of class VIII became 2nd in State Level Camp (Level-1) Examination, West Bengal (South Region) of Vidyarthi Vigyan Manthan 2024-25 : A Digital based and Largest Science Talent Search Examination for Emerging India (VVM 2024-25), and qualified for National level.

#### Genius - The Dancing Star

Sparkle Box Production presents Genius - The Dancing Star, a reality show on Tara TV and Tara News. The show's season 2 auditions took place, selecting 40 talented dancers from across West Bengal. Subhangee Das of IX A surpassed all 40 participants and was crowned the Champion of Season 2.

#### Inter-School Competition

Prabir Sengupta Vidyalaya Bakreswar Thermal Power organized an inter-school competition. Students bagged the Prize in Quiz.

#### Educational Tour

An Educational Trip was organized for the students of classes IX and XI to Delhi & Agra. There were about 40 students in this trip accompanied by 5 teachers.

**Sristi: Inter-School Competition 2.0** TIGPS Bolpur hosted an inter-school competition - Sristi 2.0 bringing together students from various institutions to showcase their talents across a range of events. The day began with a Drawing competition, followed by Rabindra Sangeet, and performance by The Folk Song band. Solo Rabindra Nritya, Classical dance and Group Dance (Folk) were performed. Recitation (Solo) competition, The Word Puzzle and Quiz events fostered a spirit of healthy competition.

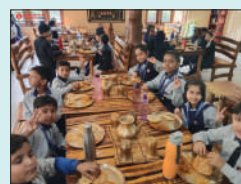

#### Drawing & Craft Competition

Axis Bank in collaboration with Radio Mirchi hosted SPLASH.

#### Annual School Picnic

### PRINCIPAL'S MESSAGE

I extend my heartfelt wishes for a tapestry of joy, health, and unparalleled success to every member of our cherished school community. This is the beginning of a new year, let us write yet another chapter of excellence and growth. Let us step forward with unwavering determination, meeting challenges as stepping stones and nurturing dreams as seeds that blossom into reality. May this year be a canvas painted with the vibrant hues of positivity, creativity, and boundless achievements. Let us continue to uphold our shared values, extend a hand to uplift one another, and strive to make this year a beacon of inspiration for all who follow in our footsteps. With a heart brimming with hope and gratitude, I wish you all a year that sparkles with prosperity and fulfilment. Together, let us illuminate the path ahead with the light of our collective brilliance.

#### Children's Day Celebration

**Health Camp** On World Diabetes Day, The Times of India organized a health check-up camp in association with Ramakrishna Medical Centre, Bolpur.

#### What is life?

A new journey starts when you are born,  
You grow up with the passing dusk and dawn,  
You go through things you could never imagine,  
Like the stories you read on a pamphlet or magazine.  
You will have feelings going up and down,  
You may feel like rainbow or like a wood burnt brown,  
Nevertheless your life keeps on going,  
Going and going till the day you are dying.  
Life has all sorts of ups and downs,  
Embrace it like a princess embraces a gown,  
The "downs" are needed to make life beautiful,  
Otherwise the "Ups" won't feel as wonderful,  
So live your life to the fullest and always be like a sprout,  
Sprouts, which make the wildest forests without a doubt.

#### How Wonderful Is God Almighty

Everything bright and wonderful,  
Every creature big and small,  
Along the things wise and beautiful,  
The Almighty God made them all.  
Every little flower that blossoms,  
Each little bird that chirps,  
God made their beautiful colours,  
The very tall mountains,  
And the rivers running by,  
The sunset and the sunrise  
Which brighten up the sky.  
God gave us eyes to see things,  
And lips that we use to tell,  
How wonderful is God Almighty,  
Who has made all the things well.  
**Namish Nath Class V**

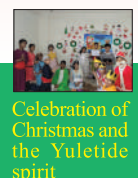

### MESSAGE

As we have begun a new year, we should think of exploring many opportunities and projects. We will continue to strive for academic excellence while focusing on social and emotional learning and character development. #### 10 Years of Excellence: A Journey of Innovation and Growth

It is with immense pride and joy that I extend my heartfelt congratulations to our school community as TIGPS Raiganj celebrates a decade of excellence in education. Over the past ten years, our institution has been dedicated to shaping young minds, fostering intellectual curiosity, and nurturing a generation of confident and responsible individuals. Education is the foundation of a progressive society, and we have always strived to provide an environment where learning is not just about acquiring knowledge but also about developing character, creativity, and critical thinking. Our commitment to academic excellence has been complemented by a continuous drive to integrate modern facilities that enhance the learning experience. With advancements in technology and education, we have ensured that our students have access to modern classrooms, digital learning resources, state-of-the-art science and computer labs, an extensive library, and world-class sports and extracurricular facilities. These enhancements are designed to foster a holistic learning environment and also the guidelines of NEP 2020 where students can explore their all potential beyond textbooks and examinations. As we mark this significant milestone, I extend my heartfelt gratitude to our dedicated teachers, supportive parents, and hardworking students. Looking ahead, we remain committed to embracing innovation, fostering creativity, and upholding values that empower our students to become leaders of tomorrow. The journey of excellence continues, and we aim to reach even greater heights in the years to come.

#### THE LAST BREATH

Once the lush forest stood bare,  
A skeleton of its former self.  
Chainsaws had ravaged the land,  
Leaving behind a desolate landscape.  
The trees' whispers silenced,  
Their ancient secrets lost forever.  
The wind howled in mourning,  
A haunting reminder of -  
Humanity's destructive grasp.

Sanchita Khan Asst. Teacher

#### LIFE

Life! It's too short to wait.  
We don't know how uncertain it is and what is set.

It may make you suffer from a grey, wintry night,  
But hold. It will gift you a day that's bright.

You can't say 'No' on its span,  
which is destined by Him.  
But you can live this 'Now' full of optimism.

Don't be afraid and let today go.

The new sun must bring something that you don't know.

Anushka Mukherjee Class IX

## Kolaghat

### PRINCIPAL'S MESSAGE

"The mind is not a vessel to be filled, but a fire to be kindled." - Plutarch. As we are standing on the threshold of another new year, I would like to express my gratitude for the achievements and development of the last year. At the same time, I would like to wish a year of success, prosperity and good health to the students, staff and the parents. Every year is an opportunity to set goals, to achieve greater heights and to provide more conducive environment for our students' holistic growth and development. In every child, there is a world waiting to be explored. TIGPS Kolaghat is committed to the mission of inculcating a state of happiness in every child while ensuring a peace-loving and harmonious world. A new year marks a fresh beginning. It is a rendezvous to forget about the past embarking on a new journey towards learning, growth, and endless possibilities. Let us pledge together to be our best versions, be kind and respectful to others, and work together to improve our school and community.

### SUMAN CHATTOPADHYAY

#### NATURE'S CALL

Beyond the Horizon, Where the clouds sleep  
On the arms of the mountains, Where the ocean fails to hide  
Behind the majestic peaks, Where the canvas flies  
With the flying birds To land on the sand,  
Where the sprinkles of water  
Touch my feet and The rain drops on my face,  
There I feel the whistle of wind, The playing of tides and  
The song of rain being controlled By Mother Nature,  
Who calls her naughty children In the massive game of  
Maintaining the Mighty Earth.  
Kristi Mondal Class VII

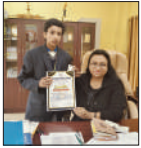

## Techno India Group Public School Midnapore

### ACHIEVEMENTS

**Abheri Shaw** of II is the Winner of Gold Medal of Distinction in SOF National Science Olympiad.

**Anush Rai** of class VIII became Man of the Match in Under-14 District Level Football Tournament.

### THE QUIET NIGHT

The moon is high, the stars so bright,  
The world is calm no sound in sight.  
The sky is dark, but feels so light.  
The trees stand tall, the breeze is slow,  
The quiet night begins to show,  
A magical place where dreams will grow.  
I sit and watch the sky so wide,  
The stars and clouds seem to collide.  
It feels like they are on my side.  
The night is big and I am small,  
But I don't mind, I love it all,  
A peaceful time-no need to call,  
In the quiet night, I stand tall.  
**Sharan Ray class VIII**

Art & Craft

Educational Tour

### PRINCIPAL'S MESSAGE

It seems that in the blink of an eye summer has given way to a new and exciting school year. As we reflect back, we are so proud of the work done by our students, parents, and teachers. I believe in the principle 'First develop good character, then achieve great deeds'. Character development is central to our mission, as it sustains passion, purpose, and integrity. These values will continue to shape our commitment for nurturing passionate learners, leaders with heart, and citizens of character. Together, let us walk hand in hand towards a bright and promising future for our children. Here's to a fantastic 2025! Let our light shine brightly and let us pioneer the future with confidence and hope.

**DR. MOUPIA. G. WILLIAM**

**ADWITIYA** (Women Empowerment Programme) aims to uplift the status of women economically and socially through practical income generating skills. Workshops on phenyl and candle-making conducted.

### A NEW YEAR

They all wandered far away.  
The lost saint has not come home,  
Light of the heart outshines the brilliance of night.  
The last of the sun's beams go out in the evening.  
The scarlet earth is past the twilight of the last day.  
The forest's trees also cast the final day's  
Shadow prior to the leaves falling.  
Years of flight have passed!  
Rivers have flowed for thousands of years.  
Faces are worn out and icy.  
Years come and go on their own.  
Birds are returning home.  
From the weighty tomb, a new year blossomed!  
**Sonai Bhattacharjee Asst. Teacher**

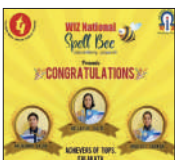

## Techno India Group Public School Falakata

### ACHIEVEMENTS

TIGPS Falakata was awarded as the Most Prominent CBSE School of the Year by Minervaa for excellence in creative and innovative

teaching. Schools from across West Bengal were present, with more than 150 Principals and Coordinators. Chief Guest was Mr. Lokesh Nathani, motivational speaker.

**Neelakshi Dalai, Bratati Sarkar and Archishman Basak** of class V took part in Spell Bee – a National Level Spelling Contest online held by Wiz International Spell Bee Co. Neelakshi Dalai ranked 43, Bratati Sarkar and Archishman Basak ranked 53 at the National level.

**Ahil Roshen Rahaman** of class IV won the State

Badminton Championship organised by West Bengal Badminton Association.

**Shreyan Paul** of class V ranked 1st in State Level Karate Championship organised by Nabajibon Club at Belakoba, Battalaon.

### INITIATIVES

TIGPS Falakata has added a new event in the morning assembly. Everyday a teacher speaks - the purpose is to motivate and inspire students. It also improves the public speaking skill and personality development of the teacher.

### TEN GLORIOUS YEARS CELEBRATED

As TIGPS Falakata has completed 10 glorious years, a grand 5-day celebration named **Mega Fiesta** started with a Rally, followed by Sit & Draw Competition. An Inter-School Football Tournament where neighbouring schools participated was held. An Exhibition and Food Carnival by students and teachers took place. A vibrant Cultural Program to commemorate a decade of excellence was held. On the final Day, the Annual Sports was held.

### PRINCIPAL'S MESSAGE

"The function of education is to teach one to think intensively and to think critically."  
- Martin Luther King Jr.

At the outset I would like to wish a very happy and prosperous New Year 2025. We at TIGPS Falakata endeavour to provide sufficient opportunities to each student to understand and discover themselves, and to face and overcome challenges presented to them to make school life fulfilling. We take pride in helping them grow and develop into sensitive and responsible well-rounded personalities of the next generation. Our life is a journey. We learn and experience something new every day. We not only impart in-depth knowledge of a particular subject but at the same time also ensure competent and constant growth of the students. Problems exist in everyone's life but we frequently remind the students not to be afraid of failure but strive hard to achieve success for excellence and good leadership. There are ups and downs in life and we need to accept the challenges and win it at all costs and move forward with new resolutions. Teamwork is the hallmark of TIGPS Falakata. We appreciate the efforts put in by our wonderful team of students, teachers and the unstinting support of the Management for making 10 years of TIGPS Falakata truly successful for all. For completing a decade of excellence, I appreciate our parent fraternity for supporting the school in every aspect. Looking forward to many more rewarding years as our students journey towards making their places in the world. I hope and pray our students will scale great heights and keep the TIGPS flag flying high wherever they tread.

**NILOY MANDAL**

## Techno India Group Public School Krishnanagar

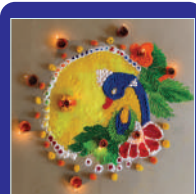

### NEW INITIATIVES

#### Connecting with the Roots of Folk Culture

Students had the opportunity to explore the rich cultural heritage of Lalon Fakir's songs, learning about their deep philosophical meanings and social relevance. They discovered how these songs, which blend spirituality and tradition, are performed using the 'Dotara', a traditional stringed instrument. The students gained insight into the unique sound of the 'Dotara' and its role in enhancing the emotional depth of Lalon Fakir's melodies. This activity not only broadened their understanding of folk music but also helped preserve and promote this timeless art form for future generations.

with the artisans, students gained a deeper understanding of the skills and dedication passed down through generations.

#### Rangoli Fest

The House-wise Rangoli Fest was a vibrant celebration of art and culture, showcasing the creative brilliance of students.

#### Revitalizing Traditional Crafts

Students embarked on an inspiring journey to Ghurni, Krishnanagar - the heart of clay doll artistry, to support the local artisans. Immersed in the fascinating world of traditional craftsmanship, they witnessed the intricate process of shaping and painting these beautiful dolls, each telling a story of cultural heritage. Through direct interactions

### ACHIEVEMENTS

2nd position at the Bakultala High School Music Competition.

Students showcased their vibrant talent and secured the 3rd position in the Wall Painting Competition at Bakultala High School.

Krittika Bhattacharyya of Class VIII secured the 1st position in Essay Competition (Creative Writing) organised by Nabadwip Bakultala High School.

In National Karate Championship organised by National Karate Federation (NKF) Adhikshit Paul of Class VI received Gold in Individual Kata (below -14 Boys),

Bronze in Individual Kumite and Silver in Team Kata (below-15).

In National Karate Championship organised by National Karate Federation (NKF) Aaditri Ghosh of Class I (Below-7 Girls) received Gold in Individual Kata and Kumite categories.

#### PRINCIPAL'S MESSAGE

I extend my warm greetings and sincere wishes for a year filled with joy, academic success, and personal growth to all our students, teachers, and parents. I am confident that 2025 will be a year of remarkable achievements as we strive for excellence. I firmly believe in the immense potential of our students and am committed to providing unwavering support in their academic and personal journeys. I encourage each of you to embrace your passions, challenge yourself, and explore the world around you. Together, we can create an environment where curiosity flourishes and learning becomes an adventure. Let us make 2025 a remarkable year for our school, marked by growth, achievement, and meaningful experiences that will shape our future.

### EVENT

#### Culinary Creativity Meets Sustainability

The first ever Food Fair provided students with an opportunity to showcase their entrepreneurial talents by offering a diverse range of homemade dishes to parents, teachers and friends. This not only allowed students to explore their creativity in culinary, but also fostered a sense of teamwork and responsibility. Plants were also distributed to attendees, symbolizing a commitment to environmental sustainability. This encouraged children to nurture the planet for a better future, and inspired students to embrace creativity, entrepreneurship and environmental stewardship for a sustainable tomorrow.

#### THE PHOTOGRAPH

She opened the termite-eaten wooden box. A photograph caught her attention. It looked like eighty years old. It was her picture, but how could that be? Lily was only 14. She showed it to her grandma, Mary, who held it near her spectacle-hung sagacious nose. She stared. A teardrop slid down her cheek. She said it was her picture from her first beach trip. Lily and Mary looked so identical! Nostalgia struck

Mary. She was there again, feeling the warm sand, gazing at the horizon. The setting sun painted her red. Reality brought her back. From a fountain of youth, she returned to being a book of memories. She told Lily, "Your eyes are your best camera, your heart is your best memory. So go, make yours!" Lily was about to make some beautiful memories while celebrating her grandma's 100th birthday.

Krittika Bhattacharyya Class VIII

## Techno India Group Public School Alipurduar

### ACHIEVEMENTS

Students from III to V won at Spell Bee competition. Aahel Anurag, Rohini Roy and Nandini Sonar from IX became Champions in Inter Quiz Competition. Spriha Ghosh of VI got 3rd place in Inter-School Chess Competition and 2nd place in 19th Vishwa Dooars Utsab 2025.

#### Beauty of silence

Beauty of silence in a noisy world  
In noisy Places, find some Peace,  
A quiet spot where worries chase,  
Escape city sounds and chaos too,  
Find calm within, a Peaceful hue.  
Silence helps thoughts untangle and unwind,  
Reflect and let your heart and mind align.  
Like a flower blooming in a quiet Place,  
Silence brings beauty, a gentle embrace.  
Seek silence amidst life's loud noise,  
And discover Peace, with joyful voice.

#### PRINCIPAL'S MESSAGE

Dear Parents and Students, I am thrilled to have you all alongside to proceed together in our upcoming journeys. I am looking forward to lead this extraordinary community into an exciting next chapter of educating the young ones to make a positive difference in the lives of others. I am committed to offer every student the best possible education to prepare them for life beyond school. Our mission is to nurture not only academic excellence but also the personal growth of each student. As we begin a new academic year, my primary focus is to educate students to be self-motivated, creative, critical thinkers, with the ultimate goal of shaping life-long learners and citizens with a strong sense of personal and civic responsibility, to provide students multiple opportunities for exploration and investigation throughout the curriculum. Together, we will continue to cultivate a supportive and stimulating learning environment that empowers our students to become lifelong learners. Today as I lead the school, I believe tomorrow our champions will lead the world. So let us go forward together with our united strength and win a better future for generations to come.

AJITA MUKHERJEE

## Techno India Group Public School Durgapur

### ACHIEVEMENTS

**Sampriti Gayen** of class VIII who is a prolific writer and painter, is the Gold Winner of Kata category and Bronze Winner of the Kumite category in South Bengal Karate Championship Tournament.

**Suramya Bandopadhyay** of class X ranked amongst the Top 100 from Bhubaneswar region in Aryabhata Ganit Challenge 2024 organised by CBSE.

#### Adwitiyam

As a part of the Adwitiyam project, learning and living opportunities are provided to the under-privileged students of Loharpara through co-curricular activities along with enhancing skills which include vocational training along with basic computer training program.

#### Awareness Drive

The students held an awareness drive by organizing a cleanliness drive on the local playgrounds along with an awareness drive rally around the local communities under the banner of Satyam Roychowdhury Foundation. Students of several classes rallied with placards in their hands that read awareness messages such as No to Crackers, No to Pollution, This Diwali, Green Diwali, Gift a Clean Environment, Be Eco-Conscious. This entire experience not only helped the students to realize the importance of a safe Diwali, but made them self-aware about the importance of a festival and the beautiful way to celebrate it.

#### STUDENTS VISIT AN ORPHANAGE

As a part of the CSR program of TIGPS Durgapur, the students paid a visit to Rajbandh Sishu Sadan - an orphanage for boys on the eve of the festivities, to share with them some stationaries, dry food and other essentials items. This entire program was an enriching experience which proved that no challenge in this world is beyond winning, no pain is beyond healing and no joy without sharing.

#### MEGHNAD SAHA SCIENCE CONFERENCE

#### WHISPERS OF MOONLIGHT

Under the velvet sky so deep,  
Where stars like tiny lanterns peep,  
The moonlight dances soft and fair,  
A silken glow fills the night air.  
It bathes the earth in a silver stream,  
A quiet poet's wistful dream,  
Kissing rivers, hills and trees,  
A hymn of peace upon the breeze.  
Shadows stretch in tender play,  
Guided by this lunar ray,  
While lovers walk in gentle embrace,  
Beneath the moon's celestial grace.  
Oh, moonlight, guardian of the night,  
You weave the world in magic light,  
A timeless muse, serene and bright,  
Eternal keeper of dreams' flight.

### PRINCIPAL'S MESSAGE

I would take this opportunity to wish you and your loved ones a very happy New Year. We solemnly pledge to carry forward the legacy of Techno India Group Public School, Durgapur. Our school cherishes the quintessence of all the cultural programmes that closely reciprocate the Indian sentiments, yet simultaneously creates equilibrium with the core academic curriculum. Our students not only grow, they develop. We are keenly devoted to ensure that our students encounter emotional well-being while upgrading their skill sets. Extracting the best outcome of the available resources in order to ease our path towards excellence is our motto in the days to come. Challenges will exist. This reminds us not only about our vulnerabilities but also equips us with manifestation of efforts that will lead us to a convincing victory. As mentors if we hold effective responsibility, we also have supreme liability to ensure that our children progress with enlightened minds amidst all kinds of distractions that will eventually come along. Thus we envisage a remarkable expansion and holistic development of our student community in 2025. Let us keep striving, healing and nurturing the minds and souls that engulf promises and prosperity in coming times.

### PRINCIPAL'S MESSAGE

Dear Students, Parents, and Staff, as the first rays of the New Year illuminate our journey ahead, I wish each of you a year filled with hope, growth, and boundless possibilities. The turning of the calendar is not just a passage of time - it is an invitation to dream anew, to rise stronger, and to embrace the beauty of change. Looking back, the year behind us was a tapestry of challenges, triumphs, and lessons learned. It was a reminder of the strength we find in unity and the brilliance we achieve through shared purpose. To our students, you are the heart of this institution, and your curiosity, determination, and kindness inspire us all. To our teachers, your unwavering passion and commitment to nurturing young minds are the cornerstone of our success. To our parents, thank you for being our steadfast partners in this beautiful journey of education. As we move forward, let us carry with us the values that define us - integrity, empathy, and the pursuit of excellence. May this year be a canvas for new aspirations, a stage for creativity, and a path to achieving dreams. Together, let us make 2025 a year to remember - a year of growth, gratitude, and greatness. With warm wishes and endless hope.

NANDITA BANERJEE

### Jalpaiguri Book Fair 2025

A stall jointly set up by Techno India Group Public School and Aajkaal showcased an impressive collection of books by celebrated authors. In a special ceremony, and Gold recognized students who had won Bronze, Silver, Medals in sports and athletics were and awarded by Techno India Group. The event was graced by the presence of Bhaskar Roy, Vice-President of Techno India Group, and Nirmalya Acharya, DGM Schools & Media Operations, Techno India Group.

### Wishes

On one cold winter afternoon,  
Some thoughts rumble inside my head.  
'I wish I had a house to call my own.'  
'I wish I could decorate it my way!  
'I wish I had a job.'  
'I wish I could love my job every single day!  
But, wishing won't help (a lot).  
What will help then?  
Maybe, if I work for it  
I can make it happen (?)  
**Anushka Roy class XII**

### PRINCIPAL'S MESSAGE

As we welcome the dawn of a New Year, may this fresh beginning bring with it new hopes, aspirations, and opportunities for growth. May our students continue to soar to greater heights, may our teachers remain beacons of inspiration, and may our parents remain pillars of support. As we embark on this new journey together, let us reaffirm our commitment to excellence, to compassion, and to the pursuit of knowledge. Let us strive to make our school a beacon of hope, a haven of learning, and a hub of creativity. I am proud to be part of this vibrant community, and I look forward to seeing the amazing things we will achieve together in the year ahead.

KRITTIKA GHOSH

### EVENTS

#### Experiential Educational Tours

TIGPS Jalpaiguri organised two educational excursions. Around 270 Students from classes VII & VIII were taken to North Bengal Science Centre and around 115 students of class IX were taken to Bengal Safari.

#### Annual Sports Meet

As part of the project Adwitiyam, an initiative by Satyam Roychowdhury Foundation, students from a School for Special Children, Jalpaiguri were invited to participate in various sports activities to showcase their commitment to inclusivity and social responsibility. The event was graced by notable chief guests, and the students displayed their energy, teamwork, and sportsmanship in Relay Race and Tug of War.

**The Last Goodbye...**  
Two leaves once danced, on a branch so fine,  
Entwined in the breeze, a gentle, loving sign.  
But now, one leaf remains, clinging to the past,  
A solitary reminder, of love that will forever last.  
The wind whispers secrets, of memories so dear,  
Of laughter, tears, and moments, that only two can hear.  
The leaf's delicate edges, worn by time and wind's sigh,  
A bittersweet reminder, of love's fleeting, fragile tie.  
In the silence, the leaf holds on, to the memories of the past,  
A tender connection, that will forever, forever last.  
Though the winds of time, may Whisper secrets in its ear,  
The leaf will hold on, to the love, that it holds so dear.  
And when the final wind blows, and the leaf falls to the ground,  
It will whisper one last secret, in a voice that's barely found...  
"Yours, forever."  
**Granthana Das class IX**

## Techno India Group World School Siliguri

### MESSAGE FROM THE DESK OF THE DIRECTOR

#### TOUCHING THE LIVES OF YOUNG MINDS AND SHAPING THEIR FUTURE

Techno India Group World School is situated in a tranquil and serene environment surrounded by lush greenery and a breath-taking view of the Himalayas. The peaceful and pollution-free location provides perfect setting for students to focus on their education and personal growth.

It is a great privilege to mentor the talented minds at their tender age in this school. Considering the status of being Techno India Group's first residential school, the world class infrastructure has been built for the students. The empowerment of women can be achieved only through proper education. The demand of 21st century skills in school education has been well integrated in the academic system at TIGWS, Siliguri.

Ideal school environment has been created to nurture and develop the skills of critical thinking, spirit of creativity, communication skills and ability to work in a collaborated manner required to survive as a global citizen.

Students are trained up to develop qualities like Self-awareness, productivity, leadership initiative and Flexibility. Our school curriculum in broad term reflects nation's shared vision of education encompassing local, national and global needs and expectations. TIGWS school system strives to provide opportunities for students to achieve excellence in Learning and Co-Curricular activities to ensure holistic development among the students.

Our Children, Our Pride! May Lord Save TIG!  
May Lord Protect TIGWS!

Ahi Ghymeray Class K.G.

Treegunatwika Sarkar of class V secured the 2nd position in two events in the 10th Open State Karate Championship.

Treegunatwika Sarkar Class V

#### I WANT TO BE FREE

I want to be free, like a bird in the sky,  
To spread my wings and learn to fly.  
No walls to hold me, no rules to keep,  
Just endless clouds and dreams so deep.  
I'd soar so high, above the tree,  
Feel the whispers of the gentle breeze.  
No school, no chores, no bedtime clock,  
Just the sound of rivers and ticking rocks.  
I'd sing my songs where no one can see,  
A place where I'm just truly me.  
Oh, to be a bird, wild and free.  
That's the life meant for me!

**Auyona Lepcha Dewan, Class IV**

#### EVENTFUL WINTER

There were several events held at the TIGWS Siliguri, where students participated and performed brilliantly.

**Workshops** were held for teachers on 'Creative Skills', 'Life Skills' and 'Integrated and Blended Learning' all in context to NEP 2020 for enrichment of their teaching practices and professional development.

#### MINDKRAFT Inter-school Quiz Competition

Sanjukta Chakraborty Class VI

#### HEADMISTRESS'S MESSAGE

Junior Wing, TIGWS Siliguri

Life is a blessing when you have children around you. Every child is born with innate qualities that make them unique and beautiful. We as educators, parents and caregivers play the role of a facilitator, thereby allowing our precious child to grow up to be a healthy and happy personality. A child is a tender sapling who needs to be nourished with care, wisdom and patience. Nurture them with your quality time, connect with them when they call you for an approval and above all motivate them for their creativity. One should allow them to pursue their dreams as this will help them to stay happy and satisfied in future. Let's lend our hands to our children in blooming to the best of their abilities and empowering them with high self-esteem and strong minds that can face any adversity.

**ANUSHREE (JITEN) ROY**

The **Winter Sports** too was held with students from Pre-primary to Class XII actively participating.

#### A CAR RIDE

I went for a ride on my car,  
I didn't get any far,  
I ran out of fuel,  
And thought I was cool!  
I had my sunglasses on,  
And I had a very big yawn,  
Then I went to bed  
And that's all I said!

**Treegunatwika Sarkar, Class V**

## Techno India Group Public School Gangarampur

### ACHIEVEMENTS

**Swagata Ganguly** of class V won 1st place in 5th Open State Karate Championship organised by AISSKA

**Adrika Singha**, a student of class V won 1st place in drawing and painting competition organised by Calcutta Talent Search School at Damdama Amalbandhu Vidhyaniketan.

### CHRISTMAS CELEBRATION

As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important aspects.

TIGPS, Gangarampur organized a 'Tree Plantation Programme' with the theme 'Growing with Nature' in the new school campus. Members of management, teachers, parents, students and local residents participated actively in the programme making it a success.

### Recycle and Reuse

The school organised a competition on Recycle/ Reuse to create awareness on Recycle/ Reuse of resources that plays important part for our

sustainable living, as they help to cut down on the amount of waste we have to throw away. Children were told about minimizing the amount of waste we produce, reusing products as much as we can, and remembering to recycle any materials that can be used for a new purpose.

Cultural performance by students

Somak Choudhury class V

### Children's Day Celebration

Children's Day was celebrated with vigour and enthusiasm by the children and teachers. The teachers made the occasion memorable for the children with a special assembly. The children were treated with a melodious medley of songs followed by a colourful dance performance by their teachers. The highlight of the day was a Fun Quiz that mesmerized the children. The day ended on a memorable note with the children feeling special as they went home wearing their colourful dress and goodies which had been made with love and affection by their class teachers.

### GROWING WITH NATURE

### Song of Colours

I love colours that are  
Red, green, yellow, orange  
Pink, brown and black.  
Red is my father's glasses,  
And green for beautiful grasses.  
Yellow is when the mangoes ripe,  
Fascinates everyone with a pride.  
And brown is for branches of the trees,  
Orange is for the sun set that is free.  
And pink is the colour of my dress,  
The darkest colour is black with a grace.  
But all the colours are my favourite.  
Shreejoyee Sarkar class III

### EARTH

We belong to the earth,  
And earth is our friend.  
And if we pollute our earth like this,  
Then tomorrow is our end.  
We get our earth as free,  
But it doesn't mean that we misuse our tree.  
We should save fuel,  
And make sure that our earth is colourful.  
Hrishav Das class IV

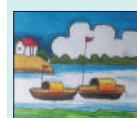

### PRINCIPAL'S MESSAGE

Every accomplishment starts with the decision to try. Believe in yourself, have faith in your abilities and let your passion and hard work be the driving forces that lead to new opportunities to learn, grow and succeed. We at TIGPS, Gangarampur always try to maintain the highest quality in academic standards and provide the most conducive environment for our student's holistic growth and development. In 2025, we shall continue to strive for academic excellence while focusing on social and emotional learning and character development. May this year bring endless joy, knowledge and success to each one of us.

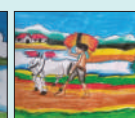

**ROZY SINGH**

### Drawing Competition

A drawing competition was organised on the theme - My Nation My Pride/ Save Earth for the students of I and V. The primary objective of the competition was to provide a platform for students to express their creativity and artistic vision on the given themes. An esteemed panel of judges evaluated the artwork, ensuring fair competition.

### Transformation in Educational Pedagogy

Educational pedagogy has seen vast transformation in recent years, driven by use of latest technology, shifts in societal expectations, and an evolving understanding of how students can learn best. Contrary to traditional teaching methods which focused on lectures and rote memorisation, modern pedagogy emphasises collaboration and personalised instruction.

One of the most significant changes has been the rise of student-centred learning, which places students at the heart of the learning process and encourages them to take ownership of their education. Teachers now act more as facilitators than direct instructors, guiding students to explore topics and solve problems independently. This allows children to develop critical thinking, creativity, and problem-solving skills, crucial to deal with the complexities of the modern world. Flipped learning is useful for effective utilisation of the class-time to engage students in discussions and problem solving. Another major shift is the integration of technology into classrooms. Digital tools such as online learning platforms, Edtech tools, interactive flat panels and virtual reality (VR) are enhancing

student engagement, enabling the connect of class with web. The rise of blended learning, which combines in-person and online instruction, further supports flexible learning environments.

Collaborative learning is also gaining prominence. Group work, peer feedback, and project-based learning encourage students to work together and learn from one another. Teamwork and communication, which are essential in today's world, are the key takeaways of this learning method. Modern-day educators have also started embracing the concept of social-emotional learning (SEL).

Schools have recognised that emotional well-being of children is vital for their success. So they have begun focusing not only on academic achievement of students but also on their emotional intelligence, resilience, and interpersonal skills.

To sum up, the recent transformation in educational pedagogy reflects a shift towards a more dynamic, inclusive, and holistic learning experience for the young generation, making them future-ready for endless possibilities.

**Chinmoy Kumar Palit**  
Executive Director, Academics  
Techno India Group of Public Schools

### Preschool 5.0

In the radiant montage of India's Educational journey, Preschool 5.0 stands as the flare to illuminate the future. Envisaged to evolve around this year, that is 2025, the innovative model of Preschool 5.0 is not only a reflection of the years to come, but a probable integral part of the vision that foresees a world where India's young and energetic population will comprise of a substantial part in the global workforce. Preschool 5.0 (2025 and beyond) is a futuristic model of early learning with emphasises on purpose-built infrastructure, a contemporary curriculum framework, personalized learning, virtual reality experiences, sustainability, ethics and social responsibility, facilitating the holistic development of the child. Some of the elements of this format include Blended Learning Models, Personalized Learning Pathways, Sustainability Education, Gamified Learning, AI and Robotics Education, with emphasis on Empathy and Moral Ethics. Today's child may have the opportunity to be part of this Preschool 5.0. However, it is imperative to know that the onus to nurture these young minds into global citizens doesn't lie solely with the parents but also on the strong shoulders of the founders of Preschool 5.0, who carry the responsibility to shape these children for the challenges of 2040 and beyond. The terrain of 2040 may not be a linear extension of the present, but a logical evolution, where artificial intelligence and advanced robotics may rub shoulders with humanity and our very essence of work, society, and governance may find new meanings. In this mission of shaping the future, let us welcome the spirit of Preschool 5.0. It is not merely an educational format but the beacon that will guide us to tomorrow's world, where our children will thrive, create, and lead, driven by innovation, and enriched by cultural heritage.
